

Arraignments Due Today in County; Probation Revoked

Arraignments were scheduled for 1 p.m. today in Madison county circuit court in Edwardsville for 16 area persons who were among those named in 32 indictments Monday by the Madison county grand jury.

A 7th was not expected to appear as his probation was revoked and he was due to begin serving a one-to-two year sentence in state prison. He is Russell J. Sutton, 19, of 5172 Lakeview drive, who was indicted for attempted theft, a charge reduced from burglary. He was on probation following a conviction in St. Clair county on a burglary charge.

Indicted with him were James L. English, 18, of 2137 Robert avenue, and Russell E. Mahoney, 19, of 712F Old Alton road. The three were charged Aug. 28 with burglary at the Scotchwash laundromat.

Murder, Theft Charges

Arraignments also were scheduled for:

Roy Kurlak, 34, Maryville formerly of Granite City and Bryan C. Stone, 32, Wood River, charged with murder and burglary during a Wood River burglary July 19; Mrs. Marion Heidbrink, 41, of 4933 Willow lane, charged with theft of \$31,000 at the Lender department store; Carl W. Hoffman, 27, of 3220 Wayne avenue, who was at liberty on an appeal bond on a one-to-four-year sentence charged with aggravated battery in the beating of a Venice man last Feb. 26.

Lloyd Brooks, 17, of 2031 Bryn avenue, and Jimmie Castle, 18, of 2118 Missouri avenue, charged with taking indecent liberties with a minor in 2000 E. Madison county; Edward Miller, 35, of 1331 Edwardsville road, charged with taking indecent liberties with a minor.

Robbery, Battery Charges

Arthur Lee Teller, 18, of 2152 Adams street, and David Nichol, 24, of 2206 Grand avenue, charged with burglary at the home of Howard Westbrook, 2136 Adams street, last Aug. 26; Charles R. Cox, 30, East St. Louis, and William B. Whitehead Jr., 19, Cahokia, charged with armed robbery at the Evergreen tavern Aug. 31.

Marshall Bradley, 18, of 105 Hill street, Eagle Park Acres, charged with the theft of \$850 worth of items July 30 from an Illinois Power Co. vehicle; Robert Joe Forte, 27, of 3212 Willow avenue, charged with aggravated battery in the shooting of John Wideman Jr., 31, of 703 Kirkpatrick Homes, last August in a Madison tavern.

Joseph Thomas Whit, 18, of 1228 Edwardsville road, and Eugene Weldon, 19, of 2332 Paul street, charged with burglary in the \$385 theft at the Post service station last August.

3 Drivers Arrested As Radar Operates

Three drivers were arrested Wednesday morning at Leland blvd. and Johnson road on speeding charges as Granite City police placed their radar unit into operation.

They are George W. Reeves, 20, of 2296 Gary avenue; Vernadon M. Becker, 2933 Stratford lane; and Bertha Hall, of 3828 "B" street, Pontoon Beach. Hearings were set for Oct. 5.

VOLUNTEER SERVICE of 1000 hours as a worker at St. Elizabeth Hospital is the proud record of Mrs. Marjorie Strauss, 2236 East 25th street, who began contributing her time to hospital work long before the volunteer service organization was established. Here, Mrs. Strauss is shown at the information desk at one of the jobs she used to perform. She recently completed training as a practical nurse and now is hired in that capacity by the hospital.

1000 Hours by Volunteer Sets Record at Hospital

Mrs. Marjorie Strauss, 2236 East 25th street, is being honored by her associates at St. Elizabeth Hospital this week for marking up her 1000th hour of volunteer service on hospital duty. She has handled the information desk in the lobby.

Mrs. Strauss has the longest term of service of any volunteer worker, having contributed many hours of service assisting

at the hospital several years before the present volunteer organization was established. She is a member of the hospital's Ladies auxiliary and has held office on that unit.

She recently completed training in practical nursing at the Olin Vocational school. She was affiliated with St. Elizabeth Hospital throughout her training and upon graduation was hired immediately as a practical nurse.

Governor Commends GC Latin Ensemble

Illinois Governor Otto Kerner has extended his congratulations to all members of the Granite City Latin Ensemble on the success of their 27th concert tour of Mexico.

In a letter to Robert Todoroff, instructor of music at Coolidge junior high school and leader of the ensemble tour, the governor said:

"Please extend my congratulations to the members of the Granite City Latin Ensemble on the success of the 27th concert tour of Mexico.

"Reports reaching me indicate the Ensemble was well received in our neighboring nation and that members proved to be ambassadors of good will. The State of Illinois is extremely proud of you and your accomplishments."

Careless Driving Charge

David E. Crider, 23, of 2504 Proper street, was charged with careless driving after his auto struck a car owned by Mark Krian, 2325 Woodlawn avenue, while it was parked at 2501 East 27th street at 9:55 p.m. Tuesday. Crider said he swerved to avoid striking a dog. The front and left side of his car and the rear and left side of the parked car, were damaged.

Mrs. Fisk in Phoenix

Mrs. Alma Fisk, Rural Route One, is in Phoenix, Ariz., to be with her mother, Mrs. Nettie M. Couch, who suffered a stroke early this week and is in critical condition. Mrs. Couch is a former resident of Venice, moving to Phoenix about 15 years ago. Mrs. Fisk left Granite City for Phoenix Monday night and arrived there Wednesday.

Action Deferred

Council Member Flare-up On City Code Amendment

The council meeting was nearing its close about 10:35 p.m. Monday night and only 10 aldermen remained when attention was called to an item on the agenda that had not been taken up. It was the amendment to the municipal code to give the mayor sole authority to name council committees and chairmen.

The debatable item, labeled as being directed to remove junior aldermen from chairmanships, was III-P on the agenda, and it was Alderman Thompson who noticed that it had been bypassed.

Thompson Asks

He asked Ordinance Committee Chairman Walter Nonn whether it had been ignored. Nonn replied, "We decided not to bring it up."

Thompson asked, "Who are we?"

Nonn began to reply but was interrupted by other aldermen urging the matter either to be taken up or dropped.

"Proposal Challenged"

Thompson remarked, "Bring it up," Nonn said, "and I'll see that it's deferred to next meeting."

Thompson proposed the amendment for consideration, and Nonn and Basarich immediately called for deferment.

Mayor Davis ruled "no debate" and called for adjournment. There was a chorus of "ayes" to adjourn, but Alderman Rutledge protested, saying he had other items of business to bring up. "I've been trying to get the floor all evening and I've been ignored," Rutledge told the mayor.

Davis retorted, "I haven't ignored you. I've never ignored you. I just didn't notice you trying to get the floor."

Sidewalk Calmer Issues

Rutledge then went on to request installation of a sidewalk along 25th street between Benton street and Cleveland blvd. for 125 feet, and it was approved.

The council went on to conduct several other items of business before adjourning a few minutes before the 11 p.m. curfew.

Present when the flare-up occurred were Nomm, Basarich, Bergfield, Whitmer, Johnson, Thompson, Mrs. Bettine, Skubish, Rutledge and Sternberg.

When the amendment was presented two weeks earlier, Nomm remarked it would be an opportunity to oust Sternberg as chairman of the Street and Alley committee for the remaining seven months of the fiscal year.

DEN MOTHERS MEET
WITH MRS. O'DEN
Den mothers of Cub Pack 19 met at the home of Mrs. Norma Oden, 2837 Maroon street, Monday morning.

The group reviewed plans for the park meeting to take place Sept. 28 at Washington school, and also made plans for the October meeting.

Mrs. Oden served refreshments to Mrs. Rena Birdson, Mrs. Vivian Cundiff and Mrs. Elsie Whitehead.

PACK 19 COMMITTEE PLANS PACK MEETING
The committee of Cub Pack 19 held its regular monthly meeting at the home of Mrs. Bonnie Goodson, 2708 West 20th street, Monday evening.

The members reviewed the program for the September pack meeting and made plans for a Halloween party in October. A discussion also took place on the membership "roundup".

After the meeting, refreshments were enjoyed by Mrs. Jewel Weaver, Mrs. Rena Birdson, Oliver Gilmore, Mrs. Mary Gilmore and Mrs. Bonnie Goodson.

HUNGARIAN HOME ASSOCIATION DINNER
The Tri-City Hungarian Home Association resumed its monthly sessions Sunday evening with a chicken dinner held at the Rose Bowl.

The president, John Kozar, gave a welcoming speech and then the members made plans for a Christmas party.

The following members were present: Mr. and Mrs. John Kozar, Mr. and Mrs. Steve Kozar and daughter, Mr. and Mrs. Dave Nagy, Mr. and Mrs. Alex Kuzor, Mr. and Mrs. Joseph Kuzor, Mr. and Mrs. George Merz and daughter, Mrs. Bertha Pritchard, Mrs. Margaret Lebecky, Mrs. Sepsi, Mrs. Rose Nagy, Mrs. Mary St. Ivany, Mrs. Elizabeth Gazzo, Miss Juhász, Mr. and Mrs. Jack Person of Madison, Mr. and Mrs. Roland Merz, Mr. and Mrs. Frank Burmann and Mrs. Frize of St. Louis.

Next regular meeting will take place Oct. 18 at the Hungarian Home, 1801 Spruce street.

Police Raid Party of Truants, Two Charged

Two persons were charged with contributing to the delinquency of a minor after Granite City police raided a party of juvenile truants at 11:40 p.m. Tuesday in the 2000 block of Cottage avenue.

Charged were Raymond Allen, 23, of 900 Twenty-fourth street, and Jerome Davis, 17, of 3116 Jill avenue.

Davis pleaded not guilty Wednesday and told Magistrate Gasparovic that he did not know he was doing anything wrong. The judge set property bond at \$500 pending a hearing on Oct. 7. Allen was released on \$50 cash bond pending a hearing to be set. The party included four boys, two of them were 15 and 16, in addition to Davis, and three girls who were 14 and 15 years old. The 16-year-old boy was taken into custody at 5:45 p.m. for investigation.

In addition, Davis was charged with having only one license plate on his car which was parked at the Cottage avenue address.

Police termed the group as truants and said they were not drinking beer or liquor on hand when they arrived. Five of the teenagers were not held.

August Daniels Jr., Venice, Dies at 52

August Daniels Jr., 52, of 532 Washington avenue, Venice, died in John Cochran Veterans Hospital, St. Louis, at 7 a.m. today. He had been in failing health for the past eight months and had been a patient in the hospital one week.

Mr. Daniels was employed at the Granite City Steel Co. He was a member of St. Mark's Catholic Church in Venice. He was a member of Venice-Madison American Legion Post 307. He was a veteran of world war I, having served four years in the Navy, and was a native of Venice and a lifelong resident.

He is survived by a sister, August Daniels Sr.; a father, Mrs. George (Rita) Lathard, and four brothers, William, LeRaine, Sam W. and Marcellus, all of Venice.

An obituary notice will be found elsewhere in this issue.

Youth Hits Parked Car, Leaves Accident Scene

Medford R. Adams, 17, East St. Louis, was arrested on two traffic charges by Madison police early today after his auto crashed into a parked car in the 2200 block of Madison avenue and then drove away from the scene of the accident. Police said they located Adams at Tenth street and Grand avenue shortly after the accident occurred at 1 a.m.

Adams was charged with reckless driving and leaving the scene of an accident. He posted his driver's license to appear for a hearing Wednesday, Oct. 3. Adams was charged by Edward J. Elston, 1347 Grand avenue.

Jahn Strotheide Named Roca Club Sweetheart

Members of the Granite City Roca club selected Jahn Strotheide as their fall sweetheart during a meeting Tuesday night.

They congratulated her at her home for the selection and refreshments were served by her parents. In honor of the new sweetheart, club members will attend her church this Sunday.

The four new club pledges, Randy Lambert, Terry Lybarger, Ron Turney and Douglas Wipfeld, attended their first meeting. Several committees for club projects were appointed.

Red, White Bus Stop Signs Being Erected

A new look is in evidence along routes of the 32 bus lines operated by the Bi-State Transit System in Illinois.

New red and white bus stop signs are being installed at bus loading zones. The signs, which conform to the standard of the U.S. Bureau of Public Roads, will provide a uniform identification of Bi-State Transit stops and will ultimately be used throughout the system.

In addition, for the first time, Illinois transit riders will be able to check bus schedules at interchanges and loading points along the lines. The schedules are being posted at key Illinois bus stops for the convenience of riders.

Illinois residents who wish individual pocket-size time tables for any of the 32 Illinois lines may obtain them by writing to Bi-State Transit System, 369 Mark avenue, St. Louis, Mo. 63102.

Those writing will be placed on a permanent mailing list to receive the time tables as they are issued.

Driver License Action Against 3 Quad-Cityans

Two driver's license revocations and a suspension were handed down this week at the Office of Secretary of State William Chamberlain.

The revocations were for Gerald H. Box, 945 Niedringhaus avenue, for driving while intoxicated, and Michael V. Dennis, 302 Main street, Venice, for drug violation.

The suspension was ruled for Tandel J. Boyesen, 2027 Main street, for refusal of three violations.

Local Hairdressers' To View Latest Styles

An educational session with a demonstration of the new fall hair styles will comprise a program to be presented during a meeting of the Elite Hairdressers' Association, Affiliate #33, at 11:30 a.m. Monday, Oct. 6, at 1515 St. Clair avenue.

Earl P. Parsons, president, announced that awards will be presented to local affiliates who were honored at a recent state convention and the evening-wearing costume sponsored by local hairdressers at the Chicago conference is to be displayed. Members of the hair fashion committee will exhibit the latest styles of the "Fleurbaey Collection".

Electoral plans also will be discussed at a meeting of the executive board at 6:30 p.m. the same evening.

GC Kiwanis See Film On World-Wide Events

Eighteen members of the Granite City Kiwanis met Monday evening at the Rose Bowl restaurant for their weekly dinner meeting and saw a movie on the "World-Wide Events" in the past year shown by Roy Feder, program chairman.

Joseph Acquaviva presided and planning was continued for a peanut sale, a project sponsored by the club after this year. George Gerace, a local artist, will speak on "Understanding Art" at the next meeting with William Herman as the program director.

Lloyd McKinney, Plant Foreman, Passes Away

Lloyd V. McKinney, 68, who was married in Granite City in 1922 to the former Gladys Painter, died at 6 p.m. Tuesday, being pronounced dead upon arrival at St. Anthony's Hospital, Alton. An Ohio Matheson Chemical Corp. sheet metal department foreman, he had been of work six weeks due to illness.

An Ohio employee 36 years and a native of Quincy, he is survived by his wife, two sons, two daughters and a brother. Services will be held at 2 p.m. Friday at an Alton funeral home, with burial in Rose Lawn Memory Gardens.

Accident in Alley

A car being backed from a driveway by Betty L. Lyons, 2127 Lincoln avenue, damaged the right side of another driven by Mary A. Kovachik, 2125 Lincoln avenue, at 5:50 p.m. Wednesday in the alley between East 24th street and Lincoln avenue.

Left Turn Accident

Edward R. Martin, 68, of 2607 Hodges avenue, was charged with a right-of-way violation when he made a left turn in front of a car driven by Franklin W. Nelson, 19, of 2017 West 11th street, at 11:11 p.m. Wednesday at Nameki street and East 32nd street. Both drivers were damaged in the accident.

Truck-Train Accident at 1 a.m. Today at the Edwardsville road rail crossing, in which the tractor-trailer driven by James Edward Willett, 43, was knocked on its side, spilling part of a load of junked automobiles onto the pavement. Willett was charged with failing to obey a flashing railroad signal.

Rotarians View 1963 News Highlights Movie

Approximately 50 Rotarians viewed news highlights of 1963 during a weekly luncheon of the Granite City club Tuesday at the YMCA. The film was presented by Homer Huber, program chairman, and recorded events of national and international importance.

Gerald Broadway, vice-president, conducted the business session with members completing plans for a barbecue dinner to be given Wednesday at the home of Beryl Moody.

It was reported that several club officers were attending a rotary district institute in Alton, also held Tuesday. Representing the Granite City club were President Glenn C. Abbott, Eugene Cox, Ray Ruffer and James Louis.

Charles B. Schweizer, commanding officer of the Granite City Army Depot, is to be the guest speaker at next week's luncheon arranged by William Meuch.

Quad-City Auto Mishaps Total 18, Injure Seven

Area traffic crashes totaled 18 this week, causing seven injuries. Two persons were injured when a car driven by Eugene Carey, 26, of Rock road, Rural Route A, skidded on wet pavement and slid into the side of a car driven by George W. Pinnom, 48, of 2425 Missouri avenue, during a rain shower at 5:30 p.m. Monday on Rock road a half mile south of North street.

Pinnom complained of pains in the back and a passenger, Mrs. Pauline Miller of North street, complained of pains in the chest. Both were making contact their doctors for examinations, according to the Madison county sheriff's office.

Two Drivers Injured

Two drivers were injured when a car driven by Barbara Smith, 27, of 1704 Bremen avenue, struck a car driven by Charles B. Charlton, 17, of 3237 Carlson avenue, after she had completed a left turn off of Mitchell avenue at 1717 Pontoon road at 9:15 p.m. Tuesday.

Both complained of pains, and the woman was treated at St. Elizabeth Hospital for neck pains and was released. Both cars were damaged.

Charles Reynolds, three, of 1711 Illinois avenue, was injured when a car driven by Janet Reynolds, 23, of the same address, struck the right front wheel of a W. L. Waggoner tractor-trailer truck driven by Clyde E. Stephens, 46, of 2963 N. Central street, who was making a left turn off of Highway 203 at 9:35 p.m. Wednesday. The front of the car was damaged. Stephens was charged with a right-of-way violation.

Girl, 16, Injured

Mary Jeanine Boyer, 16, of 1536 Johnson road, was injured when her auto struck the rear of another driven by Charles F. Silva, of 2116 East 20th street, who was making a right turn into his driveway at 7:25 p.m. Monday. She struck her nose on the steering wheel and was given treatment at St. Elizabeth Hospital for a cut inside her mouth.

Louise Smith, 31, of 2142 Johnson road, a passenger in a car driven by Shirley Snook, 2142 Johnson road, complained of pains when the car, backing out of the Snook driveway, struck the right side of a car driven by Charles Graham, 2017 Manley avenue who was headed east on Johnson road at 5:35 p.m. Monday. Both cars were damaged.

Benefit Ball To Aid County Museum Oct. 3

The Madison County Bar Association is sponsoring plans for a benefit ball for the Madison County Museum in Edwardsville. It will be held Oct. 3 at the Mineral Springs Hotel in Alton and music will be furnished by an orchestra.

The proceeds from the ball will be used to complete the museum which is due to open shortly. Tickets in \$2.50 be purchased from Mrs. Austin Lewis, chairman of the ball committee, and vice-presidents, the museum, or from Mrs. Terry Francis.

Laundromat Window Broken

A window in the front of the Madison Laundromat, 608 Madison avenue, was broken at 6:30 p.m. Wednesday, apparently by a small boy who was seen running from in front of the building as the window was crashed. The incident was reported by an anonymous caller, police said.

Faces Weapon Charge

William R. Turnbaugh, 29, Roxana, was arrested by Venice police at 9 p.m. Wednesday on charges of drunkenness and carrying a concealed weapon. Police said they were called to Jonkies Drive, where they found Turnbaugh flourishing a large knife. Turnbaugh posted \$50 cash bond pending a hearing Oct. 5.

Unfairness of Personal Tax Avoidance Cited

Apartment dwellers who fail to pay personal property taxes often escape because they have no real estate against which a lien can be placed, William Radman, Venice realtor and a member of the Madison Rotary club, said in a talk before the Rotarians at their noon luncheon meeting yesterday.

Unfairness of the situation was cited by Radman, who noted that, even when paid, personal taxes are much smaller than the combined personal-property taxes paid by property owners. Those who avoid paying personal taxes altogether contribute nothing to the support of cities, school districts and other local governmental agencies, even though they may have many children in school, he commented.

City Seeks

While there is a procedure to garnish wages, most people who ignore their personal taxes apparently do not know that the club was told. Radman also outlined sale of real estate on which taxes are delinquent, and reviewed types of property taxes.

He said tracing of property ownership is made difficult by the fact that transfers to which revenue stamps are affixed are not always recorded under the names of the grantors and grantees, with no cross-indexing on the lot and block number of the land.

He said a proper job of pinpointing sources, French explained, it would be necessary to install a virtual ring of measuring devices around the city. He added that the state has set up five stations with instruments in the Illinois Metropolitan area and that two are located in Granite City.

To do a proper job of pinpointing sources, French explained, it would be necessary to install a virtual ring of measuring devices around the city. He added that the state has set up five stations with instruments in the Illinois Metropolitan area and that two are located in Granite City.

His office, French said, has received between 80 and 100 complaints of paint discoloration. "After such incidents as these have been reported, the people get up in arms and want to close down the sources and have arrests, but in such action you have to consider that you also might be penalizing your citizens."

He said the proper way would be to let his agency provide the city with technical advice, and that he expected soon to have enough instruments to place them at key locations. "The only route to take would be to set controls and have corrective measures taken to eliminate the source of pollution. This can't be done overnight."

The initial revenue bond issue was in the amount of \$1,000,000, and the district's next revenue bonds are to be sold in the amount of \$1,000,000. The district is in the engineering and design stage.

In line with its goal of establishing self-supporting operations, the district does not seek further state tax support after the port begins functioning. It has never received federal grants and has no plans in this direction.

Cash, Whisky Stolen From Venice Tavern

Theft of \$37 in cash, two bottles of whisky and a quantity of cigarettes from the Holze's Venice Tavern, 2121 Cleveland street, Venice, was reported to police Tuesday. Police said that two railroad workers reported Tuesday they had seen a man enter the store, apparently by using a key, and walk out with a zipper bag about 5:30 a.m. Theft of the articles was reported by the store operator later.

Glenis Gaskill, 2121 Cleveland Blvd., reported at 11:45 p.m. Tuesday that between 6:30 p.m. Monday and 2 a.m. Tuesday her apartment was ransacked and the thief took \$45 from her purse. There was no sign of a forced entry.

Thomas George, 18, Edwardsville, reported to Madison police that a tachometer and a sending unit valued at \$35 were stolen from his car shortly after 9 p.m. Wednesday while it was parked at the Car Wash Center, 900 Madison avenue.

The left wing window of a 1962 auto owned by Keith Otey, 2404 Grand avenue, was broken Monday night and a tachometer was stolen from the car, he reported Tuesday.

3 Stomach Lavages Performed at Hospital

Stomach lavages were given at St. Elizabeth Hospital Wednesday to three youngsters who consumed unknown quantities of baby aspirin, snuff and moth balls. All three were repelled in good condition following treatment and were released.

David Borch, 3, son of Mr. and Mrs. Borch, 3001 Dale avenue, Mrs. David Borch, 3001 Dale avenue, was broken Monday night and a tachometer was stolen from the car, he reported Tuesday.

PRESS-RECORD SPORTS

20-Pound Edge For GC Linemen

Granite City will have a big 20-pound weight advantage in the line for tomorrow night's game. The Warriors' seven offensive linemen average 201 pounds to the 181 of Madison's Trojans.

The same holds true at the crucial guard and tackle spots on defense, where GCMS averaged 218 to 186 for MHS. Trojan backs are bigger, however, and the four offensive starters have a 179 to 166 edge.

Close Contests of Recent Years Reflect Trojan Yen for Victory

Armchair quarterbacks can safely follow the accepted formula when figuring the 1964 Granite City-Madison football battle. It goes something like this: Weigh all available facts with care, sift gently, then discard 98% of them and expect anything.

The facts favor Granite City's Warriors in the 34th renewal of the old rivalry set for 8 p.m. tomorrow at the Madison high school field. But picking a winner is something akin to a selection in the East St. Louis-Bellefonte, Missouri-Kansas or Green Bay-Chicago shindigs. In a word, it's dangerous.

Games of the recent past are an indication. Six of the last nine games have been decided by seven points or less. The exceptions are a 24-7 Madison win in 1957 as Larry Ferguson scored all the Trojans' points, a scoreless tie in 1958 and last year's 14-0 Granite City victory. Only a 68-yard fumble return by halfback Bob Fyle in the second quarter

made the 1963 contest a two-touchdown decision. Most observers feel the reason for the closeness of recent games is apparent: Madison, the much smaller school (about 730 pupils to Granite City's 2540 this year), cherishes a victory over its neighbors more than any other opponent and the Trojans are "up" for the game.

The Warriors, meanwhile, tend to look past Madison and turn thoughts to the traditional Southwestern Conference opener with Collinsville.

Morrison Remembers
Coach Jim Morrison in his second year as GCMS coach, remembers well his initiation into the rivalry. He likes to tell this story about the Trojans' entry onto the field last year: "I've never seen kids so fired up," he said. "As they came in, one boy stumbled over the curb and fell down. So I helped him. He was so charged up he just lay there for a full minute with his legs churning. I don't think I'll ever forget that."

Over the years, Granite City holds a commanding lead in the rivalry series with 27 wins, five losses and one tie. The Warriors have won the last five games and were defeated only twice in succession (1956-1957). Madison has failed to score in 21 of its 33 games while holding Granite City scoreless just once (the 0-0 tie) since the rivalry began in 1929, the first season of football at MHS.

Pickering Revises
Morrison, satisfied with his lineup selections for last week's 12-6 win over Riverview Gardens, plans no changes for the Madison game. He reserved that right, however, to make last-minute switches tomorrow. But pickering plans several changes. Impressed with Steve Geroff's quarterbacking last week, he has decided to start the 180-pound sophomore, who played in the line as a freshman. Replacing Williams, he connected on four of seven passes for 59 yards against Edwardsville.

In other offensive moves, he plans to return big junior Paul back to fullback where he was the team's leading scorer and ground-gainer last year. He had been playing at halfback, alternating with speedy Dale Turner. Alton Rendell is going back to end after a whirl at fullback. And Tom Miller, senior tackle who missed the opener with a virus, steps into a starting position. The Trojans' defense also gets a shuffle with end Neil Podoba and tackle Ralph Ives and Jack Miller as newly-named starters. With the addition of Podoba, the defense now includes four sophomores.

Fifty Year Movies Of GC's First Win

More than 50 high school football enthusiasts viewed films of Friday night's 12-6 Granite City victory over Riverview Gardens, Mo., at a meeting of the Boosters of the Fighting Warriors Monday evening at the YMCA. Jim Morrison, GCMS head coach, provided the commentary and reviewed the training procedure for the Madison contest.

Joseph Hiles Jr. reported that six additional blazers are to be purchased by the Boosters for the varsity athletes. It is hoped to bring the total number to 44 through fund-raising efforts this year, he said. The blazers to be used by participants in all varsity sports, were officially presented to the school at half-time Friday.

To assist in the football training program, Boosters authorized Harry Fichte to film next week's game with Collinsville. Under the present athletic department budget, only four home games are scheduled for filming this year.

The club is an adult organization dedicated to supporting the athletic program at Granite City high school. Anyone interested in warrior athletics is eligible to become a member. Current membership in the Boosters is 37.

Buncie Takes Tourney
Richard Buncie, Corps of Engineers shot a three-over-par 75 to win the Federal Employees fall golf tournament this week at the Granite City Army Depot course. Jack Marti of the Depot was second with 76. Two other men, Joseph Vetterling and Tracey Harding, tied for first with 114.

Cross country teams at both points. Winning time was 10:15 in 10:27, just four seconds off the second-place time. The next local finisher was sophomore Dave Lomax, who was 16th in 10:55.

It was the fourth meet for coach Dick Harmon's team, which lost three dual meets previously. The squad is depending heavily on inexperienced runners and has only two lettermen.

In junior varsity competition, it was Collinsville first with 50, Granite City next with 48 and Wood River third with 33 points. Gus Schalchman of the young Warriors was second in 11:28.

The Madison Trojans, running at Roxana, competed without some top runners due to school insurance payment problems. Jerseyville won with 20 points. Roxana had 35 and Madison 136 as no Trojan could finish better than 20th.

Dan Taubee of Roxana's Shells won with a time of 10:16. It was the opening meet for tomorrow afternoon, while the Trojans entertain Cahokia Tuesday afternoon.

Nick, Rick Slick In Warrior Win, Receive Awards

Nick Petrillo and Ricky Turner, Granite City high school halfbacks, were named by coach Jim Morrison for special awards for their play in the Warriors' opening 12-6 victory over Riverview Gardens last Friday.

Petrillo, who averaged 8.3 yards in 12 carries, caught two key passes and scored the first touchdown, was the Fighting Warrior of the week. This honor goes to the outstanding offensive player each week. The stars are worn on the players' helmets. Stars went to Dan Messey for a recovery fumble to Ernie Kern for "110% defensive effort" and to Jim Rains, John Russell and Mike Mounce for the 61-yard Riverview "flea-flicker" play on the 12.

In addition, stars went to the entire defensive team for the goal-line stand. They are Messey, Evenden, Fred Hoffman, John Russell, Kern, Jerry Lybarger, Turner, Mike Mounce and Mike Mounce. Glen Pickering, coach of Madison's Trojans, declined to pick his own outstanding players. He said the Trojans' defense was really no one, he said, who deserved the honor. He plans to make the selections in future games, however.

High Point Winners Determined for Show
Points were tabulated this week and winners announced for the Trailblazers Saddle Club horse show held Sunday at Mitchell. A mix-up in scoring prevented the totals from being announced earlier. Billy Weller won the junior high point trophy as a 10-year-old. The show's high point divisions included Dutch Mueller, Bob Kribben, Carolyn Daver, Marily Leebler, Traveler Plagonsky, Greg Bradshaw, Jane Wilson, John Wiese and Weller.

Fiddle-faddle! Missed four the very first week; four out of 11. The sports editor frowned at me and very hard. He was grumpy. The 636 percentage or whatever, he growled, was not very good.

But I poked at him with my knitting needle and introduced his shin to my high-buttoned right shoe and he simmered down a bit. (Oh, golly, he was a slight hippy-hopping around the office. Thought I'd bust it.)

When he got back from the doctor, he allowed that not picking Western Military over Dupo or the Collinsville-Roseville tie was understandable. But, surely, not knowing Southwestern would beat Roxana and Quincy was just stuck my tongue out at him.

Saw my first football game, the Granite City one, and I've never seen such broad-shouldered young men.

The most interesting part from the laddle from Riverview Gardens was trying to flick off a flea, for heavens sake! I must have really been biting because he got excited and ran a long, long way. And the Granite City boys who were trying to help finally had to run after him and pull him down forcibly. I guess they squished the flea because the poor deer didn't run away anymore.

Well, my woman's intuition tells me I'm going to get all 11 right this week. Until next week, too!—oo—

Young Trojans Lose 14-6 Duel To Edwardsville

Visiting Edwardsville defeated the Madison high school freshman-sophomore football squad Monday 14-6 but the young Trojans were impressive in defeat.

"We were real pleased with them," said coach Bob Page, noting that Edwardsville usually runs away with the annual contest. "This could be one of the best groups we've had in several years."

Employing an unusual method, Madison uses sophomores on offense and freshmen on defense. The only Trojans score was by halfback Sam Jones on a seven-yard run.

Fumbles were common in the game, most of it played in the rain. Madison came to within 15 yards of the goal on four occasions but couldn't score. Edwardsville scored on an five-yard run by Phil Matthews and a statue of Liberty play by Jack Townsend scoring from the seven.

Page had praise for the offensive backfield of halfback Jones, wingback Larry Nelson, fullback Ron Burt and quarterback Steve Shipoff, and defensive guards William Wright and Dallas Thompson.

Madison was scheduled to meet Coolidge junior high in a freshman game this afternoon at the Granite City high school field.

17 Soccer Teams In YMCA Leagues

Games Saturday and Sunday open the 1964 fall soccer season sponsored by the YMCA. Seventeen teams are entered.

Ruben Mendoza, director, said sponsorship for an Atom Division team is still needed. There are six Atom, seven Bantam and four Midget teams.

Three fields will be used with the addition of a second at Coolidge junior high school. The first at Elizabeth's school field will again be used.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS

New federal regulations say you must leave a full feathered wing on each migratory bird that you dress in the field so that it can be identified. This new law covers ducks, geese and doves.

The cooler weather has helped the dove hunting. Freshly cut silage fields still seem to be a good feeding spot and the eastern side of the county offers the best hunting. Doves do not seem to like hilly country or wooded areas but prefer the open fields and pastures.

I have had several calls on whether or not you need a duck stamp to hunt doves. Even though they are classed as a federal migratory bird, you do not need a federal stamp to hunt them. Another point arising is the false assumption that you can hunt upon your father's or uncle's land without a license. You can do this only if you actually reside on the farm. Otherwise, you must have a license.

Unlicensed Hunting. Three arrests of squirrel hunters in Bond county last week brought up the discussion of regulation.

Devils Snare Third Victory In MCM Loop

Venice's Red Devils came from behind to win their third reference game without a loss Tuesday 6-5 over Worden's Trojans at Venice.

Worden took a 3-0 lead in the first inning but the Devils bounced back to take the lead in the fourth. Percy Dillon pitched the victory, giving up four hits with 10 strikeouts and six walks.

The first Venice score came in the second as Greg Puett walked, stole second and came home on an error. In the fourth, Venice tallied three times, with a walk to Puett again starting the action.

Terry Cooper's triple brought Puett home and Howard Black smashed a homer. Then Jerome McGlone was safe on an error and pinch-runner Russell Turner stole second base, took third on a wild pitch and scored on Lee Conterman's single.

Coach Bill Ohlendorf's team added a run in the fifth on Charles Smith's single, a walk to Bill Getz, a wild pitch and a fielder's choice. In the sixth, Rich Essington singled, stole second and third and scored on a fielder's choice.

The Trojans threatened in the seventh with three bases loaded and no outs. One run scored to lighten the score to 6-5 but Dillon struck out the next three to end the game.

The Devils play another conference game at Breese tomorrow afternoon.

More Sectional Leaders Named for United Fund Drive

Additional sectional leaders for the Tri-Cities Area United Fund campaign were announced this week from the campaign headquarters by divisional chairmen making final plans for the Oct. 13 start of the \$335,000 drive.

Raymond Henley, chairman of the United Fund's commercial division this week announced the appointment of William A. Brandt to head the restaurant and tavern section, which in last year's drive exceeded its quota with contributions of \$505. Brandt, an attorney with the law firm of Callis and Brandt, replaces Police Chief Raymond J. Willard, who resigned the position for health reasons.

Other sectional leaders also were named this week by Bernard Pinney, professional division chairman and William F. Hoelscher, who heads the Granite City and Mitchell division.

City School Section: Leading the Granite City municipal section under Hoelscher is Mayor Leonard R. Davis, who continues in this position for the fifth consecutive year. In 1963 the municipal section accrued a total of \$1225. Supt. of Schools Russell D. Johnson was named to head the Granite City schools section, which contributed \$913 in the last UP drive.

Johnson, who is serving his

first term as a sectional chairman, was previously a member of the UP admissions and distributions committee. Postal employees will again be headed by Theodore Overbeck, a four-year campaign veteran. His section produced donations of \$469 for the 1964 United Fund.

Banks Head Deposit Section
Serving in his first United Fund campaign is C. Wayne Banks, whose appointment as head of the Granite City Army Deposit section, is announced by Hoelscher. Banks, who is employed as chief of the management assistance division at the local army installation, leads a section which in 1964 substituted \$889 to the UP appeal.

For the second year, Malcolm Thompson, director of the Illinois State Employment Service, will direct the public offices section, one of three sections in its division last year to exceed its quota with \$161.

The clubs and organizations section, which also topped its 1964 assigned quota with \$719, is again led by Atty. Leo Konzen. Prior to the current campaign, Konzen served for three years as chairman of the professional division and on the admissions and distributions committee. He is presently serving on the United Fund executive board.

UF Agency Employees
C. A. McMillan Jr., YMCA general secretary, who has been an active UF campaigner since its inception in May 1957, will

direct solicitations from United Fund agencies' office staffs. A new section dealing with contributions from residential and rural areas will be headed by Mrs. J. C. Byers, assisted by Sylvia Fleishman and Mrs. Ida Handfelder.

Appointed by Pinney to head the legal section is Atty. William Schooley, whose section exceeded its quota last year with \$2195, and Rev. R. J. Baumann, pastor of St. Peter's Evangelical Lutheran Church, who is to direct the other professions section.

With an announced goal of \$335,000 needed to support 17 health and welfare agencies, the 1965 United Fund campaign officially begins its drive on Oct. 13.

Community Child Guidance Center New Service at 'Y'

A completely new service — a Community Child Guidance Center — will be established by the YMCA with study sessions once each week, it was announced today by Hend. D. Karandjef, YMCA president.

The first session will be held Saturday in the "Y" auditorium from 3 to 5 p.m.

The program, designed for parents of children of elementary school age, will be under the direction of Dr. Raymond Troyer, 3312 Franklin avenue, associate professor of psychology at Southern Illinois University. Dr. Troyer conducts classes at the SWU center in East St. Louis.

He is a member of the American Psychological Association, National Council on Family Relations, former director of guidance at the Lake Forest, Ill., high school, a graduate Ph.D., a board member of Pacific North-West Council on Family Relations and of the Montana State Committee on Family Life Education.

Recognize Community Need
In setting up the new service the YMCA recognizes a community need to seek help in raising children in this out-of-control world, Dr. Troyer said, adding that there "must be ways to make the new learning, now available, accessible to all."

Basic purpose of the program, Dr. Troyer adds, "is helping parents gain a better understanding of the behavior of children and to gain skills in working more effectively and efficiently with them."

Parent study groups will be organized to provide systematic

DIRECTOR of the newly-established Child Guidance Center at the YMCA is Dr. Raymond Troyer, associate professor of psychology at SWU.

Instruction through discussion on how to live in peace and harmony with children, Dr. Troyer will be assisted in direction of the program by graduate students of the SWU Guidance department.

Parents and representatives of community organizations have been urged to attend the meetings which will be held every Saturday. There is no charge for participation in the program.

Much Local Participation

Easter Seal Society Studying Expansion of Therapy Class

Because of the extensive interest and participation in the newly-opened Quad-City speech therapy class at Venice, plans are being made to expand the program in the near future, it was announced today by K. H. Wickenhauser, president of the Madison County Easter Seal Society which sponsors the center.

The Quad-City class was opened last Friday in the Venice library under a schedule that permits one class per week from 9 a.m. to 11:30 a.m. on each Friday. Twelve children appeared for presentation to clubs and organizations to better acquaint the community with the Easter Seal Society. Mrs. Crawford also conducts classes at Alton and Edwardsville.

Wickenhauser explained that the program was inaugurated in the Venice library on one morning a week to provide speech therapy to children residing in the Venice, Granite City, Madison and Mitchell area. Children suffering from speech handicaps would thus find it easier and more accessible to receive the needed therapy than driving to Easter Seal centers in Edwardsville or Alton.

"Because of the heavy interest shown and the need for such services in this area, plans are now being studied to extend the Quad-City program in the future. A local pre-school nursery for the handicapped may be an indicated program."

Care For Crippled
The Easter Seal programs provide direct care and services to crippled children and adults who suffer a handicapped condition as the result of birth defect, accident or illness. Such conditions

may include cerebral palsy, cleft palate, muscular dystrophy, strokes, tongue thrusts, visual impairment, hearing, stuttering and other articulatory disorders.

Wickenhauser said extension of the Quad-City program may require financial support and additional volunteers, particularly if the program requires an additional local therapist or nursery school teacher.

Plans are being made for an open house to explain the services of the Quad-City center and the Easter Seal program. Slides and films are being scheduled for presentation to clubs and organizations to better acquaint the community with the Easter Seal program.

The Madison County Easter Seal Society is an affiliate of the Illinois Association for the Crippled and the National Society for Crippled Children and Adults.

Rabbi to Address 1964 Chamber Dinner Oct. 22

A date of Thursday night, Oct. 22, has been chosen for the 24th annual meeting of the Tri-Cities Chamber of Commerce, it was announced today by President Chester L. Baker and Ernest E. Veihl Jr., who heads the annual meeting committee.

Guest speaker will be Rabbi Morris M. Hershman of Joliet, Ill., a nationally-known civic and religious leader noted for his speaking ability. Several hundred Chamber members and wives are expected to attend. Location of the banquet has not yet been selected.

J. C. Steele, Lawyer, Submits to Surgery
J. C. Steele of Collinsville, veteran Granite City attorney, submitted to surgery Wednesday at St. Mary's Hospital, East St. Louis, to correct an infected bladder area caused by a hernia to the bladder. He was reported to be in good condition today.

(only his V-Matic® collar knows for sure)

Ever wish you were a man of mystery? Well, James Bond said, our agent at The Manhattan Shirt Company reports they've developed a secret weapon for potential mystery men everywhere...a "V-Matic" collar. Loosens secretly as you adjust your tie. Actually a collar constructed with a V-shaped notch and no top button. V-Matic widens as narrow as you loosen or tightens your tie knot. Always looks just right. Big man? Fiddle with your tie...and enjoy V-Matic's "invisible comfort." Weight gain or loss? No problem. High pressure day? Reach for the old tie knot...then look snug. As you might imagine, V-Matic's protected by patents (in all), but our agent has wrested a good supply from Manhattan. Attached to some extremely fine shirts. Drop in, and start being a (comfortable) man of mystery today.

Extradition Hearing For Bennett Set Oct. 16

An extradition hearing for Wilfred C. Bennett, 29, of 2800 (rear) Idaho avenue, charged with the murder of a St. Louis taxicab driver, has been set for Oct. 16 in St. Louis, Joseph Bartylak, chief assistant state's attorney, announced today.

Bennett is charged with the shooting of Frank Lafata, 38, on Sept. 15. Lafata was found dead in a field off of West Pontoon road north of the A. O. Smith plant. Bennett was arrested by St. Louis police and refused to waive extradition to Madison county.

Bartylak instituted extradition proceedings this week and said the interval before the hearing will give authorities time to present the case to both the Illinois and Missouri governors.

Lasha Robinson, 2800 Idaho avenue, reported at 4:15 p.m. Monday that her 1957 two-door automobile was taken on Sept. 13 without her consent.

It was the same car sought by Madison county authorities during a hunt for Bennett.

Second Natural Gas Pipeline To This Area is Authorized

Quad-City area gas consumers are affected by a new Federal Power Commission ruling authorizing construction of a \$64 million interstate natural gas pipeline from fields in Oklahoma.

The decision by Presiding Examiner Martin E. Rendelman is subject to FPC review if initiated by Oct. 20, after which it would become final. Parties to the proceeding have until Oct. 10 to file exceptions. Rendelman authorized the Oklahoma-Illinois Gas Pipeline of Tulsa to build the proposed pipeline.

He rejected the competitive application filed by Panhandle Eastern Pipe Line Co. of Kansas City, Mo., and the associated applications of Natural Gas Pipeline Co. of America, of Chicago, and Mississippi River Fuel Corp. and its subsidiary, Mississippi River Transmission Corp., both of St. Louis.

Wholesale Supplier
Whereas natural gas service in this area is presently supplied by Mississippi River Fuel and Mississippi River Transmission, On Aug. 7, the FPC authorized Transmission to acquire and operate all the pipeline facilities of its parent, Mississippi River Fuel.

The examiner concluded in the Oklahoma-Illinois ruling that perpetuation of a monopoly in gas supply, when competition is available, would not further the economic welfare of this area, would not provide economic relief to area industrial firms, and would not give distributing utilities that freedom from domination by a single supplier which a competing pipeline would furnish.

Rendelman found that the public interest requires the presence of a competitive pipeline, and that any increase in rates to consumers which may result from entry of another pipeline would be more than offset by the benefits derived.

Three-Way Battle
The decision just announced came in a complicated three-way battle over ways of meeting the increasing gas requirements of this region.

Oklahoma-Illinois proposes to drill gas mainly to 14 industrial firms, including Quad-City and Alton manufacturers. It is also willing to sell gas to Laclede Gas Co., the St. Louis distributor, and to other distributors for resale in areas of Missouri not now having natural gas service.

Natural Gas Pipeline Co. proposed to sell gas to Transmission for resale to Fuel, and is presently making the sale on an interim basis. Transmission's basic gas supply is furnished by Trunkline Gas Co., Houston, Tex., which contends it can also supply Transmission's increased requirements.

While Trunkline did not file a competitive application, it is a parent, Panhandle, proposed to build a new line to the St. Louis area and to sell gas to whom ever the FPC directed.

Not Enough Gas Now
Rendelman commented: "That substantial additional supplies of natural gas are needed have been necessary in the St. Louis area is an uncontested fact amply supported by the past history of the constant demands for more gas made on Mississippi by both its utility and industrial customers."

He said a consideration in determining whether availability of an extra source of supply would better serve the public interest was "whether the present single supplier would in the future be sufficiently motivated by concern for the public interest to the extent that it would give priority to the needs of utility customers rather than the more profitable industrial sales which are unregulated."

Utilities At Disadvantage
The examiner saw little purpose in repeating the long history of contention between Mississippi and its utility customers ever increased gas supply. He said it is apparent that in the past Mississippi River Fuel's only interest was the preservation of its inordinately high industrial sales profit margin.

Under the circumstances, and based on past performance, Rendelman said, "the conclusion is not warranted that the leopard will change its spots and that Mississippi's primary objective in the future under its present management will be public service rather than profit."

He rejected the Natural and Panhandle applications because they would perpetuate the monopoly. Although Panhandle's application did not designate a

Attend GOP Women's Convention in Kentucky

Mrs. Helen McAnally, president of the Granite City Republican Women's Club, and Mrs. Vernice Wortman, left Wednesday for Louisville, Ky., where they will attend the 13th biennial convention of the National Federation of Republican Women which will begin Friday and continue through Saturday.

Nine other women from Madison County are attending the convention, including Mrs. Phyllis Schaffly of Alton who has been nominated for first vice-president of the national convention. While in Louisville the women will see and hear the candidates for president and vice-president on the Republican ticket.

specific customer, the examiner said its present form would permit no other sales than to Mississippi.

201 Miles of Pipeline
Oklahoma-Illinois proposes to build 394 miles of 12-inch and 20-inch supply pipeline and 307 miles of 24-inch transmission pipeline, together with related gathering, lateral and compressor facilities. Initial design capacity would be 186 million cubic feet a day, of which 103 million would go to the 14 industries.

The manufacturers originally proposed to buy gas directly from producers in the fields at an initial price of 18 cents per 1000 cubic feet. The gas would be transported by Oklahoma-Illinois. Direct sale would not be subject to FPC jurisdiction, although the transportation from Oklahoma-Illinois and the producer service would.

During the hearings, Oklahoma would not object if the FPC, instead of approving the transportation plan, issued certificates authorizing jurisdictional sales by the producers to Oklahoma-Illinois at the FPC's

interim area ceiling prices — 17 cents in northwest Oklahoma and 15 cents in southeast Oklahoma.

Chooses FPC Jurisdiction
Since the latter proposal "is obviously more in the public interest than the original proposal," Rendelman limited his consideration to the alternate proposal.

Oklahoma-Illinois is owned by Pan American Petroleum Corp. (46.5%), a subsidiary of Standard Oil of Indiana; Shell Oil Co. (33.5%); and Fish Engineering Corp. (20%).

Pan American, an affiliated producer, and Shell would supply 86% of the gas for the project. Additionally, Shell and American Oil Co., another wholly-owned subsidiary of Standard of Indiana, are two of the largest industrial customers proposed to be served.

Opposition By Laclede
It is proposed to make available up to 15 million cubic feet of gas daily for Laclede, although Laclede has said it has no interest in such purchases. Oklahoma-Illinois at the FPC's

suggested Natural-Transmission-Fuel proposal. Examiner Rendelman said he realized that Oklahoma-Illinois' proof of economic feasibility without Laclede sales is somewhat less than marginal, but that he would not deny approval since the project is otherwise acceptable and is required by the public interest.

"There is reason to believe that Laclede's firm denial of any intention to make purchases from Oklahoma-Illinois may not be as resolute as it appears," he said.

No definitive financing plan was submitted but one will be required as a condition of the authorization. Total long-term debt would represent 84% of the Oklahoma-Illinois capitalization for the project. Since this exceeds 75%, which FPC has used as a standard, Rendelman said payment of common stock dividends will be prohibited until the debt level reaches 75% or below.

\$284,000 Savings in Year

'Cost Reduction Week' Being Observed at Depot

The Granite City Army Depot is holding its first 'cost reduction week' this week in conjunction with the Army Materiel Command and the Supply and Maintenance Command. In the fiscal year the depot savings totaled \$284,000.

The savings for the fiscal year 1964 were well above the goal originally established by the Army Materiel Command.

In a filmed report to the members of its agency, to be shown at the depot during cost reduction week, Gen. Frank S. Besson Jr., Army Materiel Command Commanding General, says: "I am very proud of this accomplishment. I am proud of every man and woman in this command, military and civilian. You have done a magnificent job this past year. You are responsible for the more than half of all the savings achieved by the Army."

"By helping the Government operate more efficiently and economically, you contribute directly to the security of your country. That is why I am charging you with the task of supporting this program," General Besson advised.

"I am confident that with your continued support and widespread participation we can achieve and surpass our fiscal year 1965 goal," the General noted. The fiscal year 1965 goal will be \$300 million.

4th Grand Jury Calls For New County Jail

The Madison county grand jury Monday recommended the construction of a new county jail building and expansion of the staff of the sheriff's department. It was the fourth consecutive grand jury to call for replacement of the current 100-year-old jail.

The jury found: Severe safety hazards from fire and structural failure; inadequate facilities for segregation of offenders; inadequate or lack of facilities for receiving and processing prisoners, storage and filing, private interviews, and visiting; inadequate facilities to permit guard supervision and prisoner exercise and recreation.

"It is the opinion of the grand jury that necessary improvements cannot be satisfactorily accomplished by rehabilitating and/or expanding the present jail building," The old jail, however, was found to be clean and well maintained.

The jury recommended an increase to the sheriff's staff when funds are available. After inspecting the county nursing home, the jurors recommended that two tube slides be replaced with many tube slides and that more comfortable beds be provided. No discrepancies were found at the county tuberculosis sanatorium. The grand jury reports were signed by Jerry McPherson of Granite City, foreman.

Lt. Moske, who has been stationed at Lackland the past year, is a graduate of the Granite City high school and Southern Illinois University, Carbondale. His parents are Mr. and Mrs. Tony Moske, 2309 East 23rd street.

Accident Victim May Retain Sight

Ralph Rogers, 38, former Granite City man now living in Collinsville, may retain his eyesight despite severe injuries suffered in a head-on auto crash last Sunday, relatives reported today. Rogers is in James Hospital where he has undergone plastic surgery and treatment of his eyes. Shortly after the collision, physicians indicated Rogers might lose his eyesight because of the injuries.

Rogers was reported improving today, as was his wife, Magaline, 40, and the driver of the other automobile, Mrs. Erno (Doreen) Orzovan, 26, of 2904 Kirkpatrick Homes. Mrs. Rogers and Mrs. Orzovan are at St. Elizabeth Hospital where they were reported in fair and improving condition today.

The accident happened on Route 33 a half mile east of Route 162. Rogers, a Granite City Steel Co. employee, who had just returned from Louisville, Ky., had stopped a short time before at the home of Mrs. Rogers' sister, Mrs. Connie York, 1225 Fifth street, Madison, and were on their way to their home in Collinsville when the crash occurred. They had been in Kentucky visiting a relative who had been injured in an accident there.

Mrs. York said that physicians now hold hope that Rogers' eyesight may be saved.

Preliminary Hearings For Three Continued

Preliminary hearings for Galt Yates, 24, of 2124 Benton street, and Paul Helvey, 21, of 2154a Benton street, both charged with theft of an auto, and for Dolphus Myers, 26, of 2829 Denver street, charged with conspiracy to commit a theft, were continued Wednesday in Magistrate Gasparovic's court as a prosecutor from the state attorney's office was unable to attend.

They were arrested last week after Yates and Helvey were reported to have been seen stripping Myers's auto on a country road near Edwardsville. All three are employed at the same industrial plant.

Speeding Charge Filed

George L. Tynel, 31, Gardsche Homes, Madison, was arrested at 12:25 a.m. Wednesday at 14th street and Edwardsville road on a speeding charge. A hearing was set for Oct. 3.

COLONEL MEETS GENERAL. Lt. Col. Russell Strange, son of Mr. and Mrs. R. E. Strange, 1736 Fifth street, Madison, views a bust of Andrew Jackson, seventh U.S. president, at the "Heritage," near Nashville, Tenn., where Jackson made his home from 1804 to 1845. Membership chairman of the Illinois State Historical Society and University of Illinois professor of air science and political science, Col. Strange was in Tennessee for an Air Force ROTC camp at the Sewart Air Force Base. Strange has been elected vice-president of the state historical group, which coincidentally held a tour early this week of historic sites that included the August C. French home in Lebanon, Gov. French, a pre-Civil War Democratic governor of Illinois, was a great-uncle of Col. Strange.

Severe Head Cut Results When Glass Pane Falls

Dale Brackett, 43, of 2346 Woodlawn avenue, was rushed by ambulance to St. Elizabeth Hospital at 9 p.m. Tuesday after he suffered a four-inch laceration and severed a main artery in the left temple.

The mishap occurred when Brackett was replacing a heavy plate glass window in his garage and it slipped and fell on him. Thirty sutures were required to close the wound. He was released from the hospital yesterday.

Rep. Harris to Seek Fund For Cahokia Archeologist

An appropriation of \$15,000 to establish quarters for a full-time archeologist at the Cahokia Mounds State park will be requested of the Illinois Legislature by State Rep. Lloyd "Curly" Harris of Granite City, who said today that he believes excavation of the Great Cahokia Mound begun earlier this year should be continued.

Harris said he had been informed that \$15,000 would cover the cost of a house and two acres of land adjacent to the park which could be used as a quarters for an archeologist and would include space for a laboratory. Salary of the archeologist should be assumed by some state department, probably the department of conservation, instead of making an additional appropriation for that purpose.

The state representative said he was "highly interested" in a report on progress of the digging at the largest of the mounds during the summer months. The excavation work was directed by James Porter, president of the Illinois Archeologist Survey, and Charles Barrie, secretary of the survey. Porter related in a recent meeting of persons interested in the study that there are indications there may have been several houses located on the top of the big mound, possibly inside a palisade that ran around the top of the mound. Several post holes have been found.

Want More Land
Nelson A. Reed, St. Louis businessman who raised funds for this summer's excavation project, has pointed out that additional ground around the park should be purchased by the state to enlarge the park and preserve historical lands and mounds that are not now located within the park boundaries. He also has stressed the need for additional study and exploratory digging throughout the park, a full-time archeologist to direct the continuous studies and a museum to house the findings and tell the story of the Indians who disappeared from the area more than 1000 years ago, taking with them the secret of a culture and civilization that historians believe was highly developed.

Reed said diggings are expected to end soon, although work will continue on one small section in the eastern part of the mound until the outline of one apparent building is completed.

Early this month archeologists reconstructed a house at the base of the mound, built along lines of those believed inhabited by the Indians. It is made of mud, grass and twigs of cattails.

19th-Edison Accident
While making a left turn off of 19th street onto Edison avenue at 4:35 p.m. Tuesday, a car driven by Betty J. Barker, 2439 State street, was struck by a westbound car driven on 19th street by Tommy E. Chizk of Mt. Vernon. The right fronts of both cars were damaged.

Woman Fined \$30 Total
Anna Sue Kamadulski, 26, of 1315 Madison avenue, was fined \$10 and \$5 costs on a profanity charge Wednesday by Magistrate Gasparovic. An intoxication charge was dismissed. She was arrested Sept. 12 at her home and allegedly attacked a policeman with a beer bottle.

NEWCOMERS WELCOMED BY MADISON LADIES

Mrs. Sally Maeras presided over a monthly meeting of the Madison Ladies City organization Monday evening. The Lord's Prayer was repeated in unison by the 29 present.

Mrs. Judy DuBray and Mrs. Dottie Anderson were welcomed as new members. A guest Miss Rose Logue of Springfield was introduced by Mrs. Steve Maeras.

The hostesses, Mrs. Ann Bialczak, Mrs. Maxine Costoff and Mrs. Cora Barry, served lunch. Miss Logue was the winner of the evening's prize.

The next meeting is to be held Oct. 19 at the Sportsman's club.

METHODIST CLASS TO MAKE APPLE BUTTER

Members of the Joy Sunday school class of the First Methodist Church held a meeting Monday to discuss making apple butter.

Members were urged to be at the church Friday and Saturday to assist with the project. The butter will be sold to those bringing quart jars to the church on Saturday.

The regular class meeting will be held Monday evening.

NEW MEMBERS INITIATED AT DELRAY MEETING

Delray 788 Rebekah Lodge members met Tuesday evening at the Old Fellows hall in Madison for a short business meeting, birthday observance and initiation of new members. The business session was conducted by the noble grand, Mrs. Lucille Veach.

A chicken and dumpling dinner to be held Oct. 10 at the hall was discussed. The public may purchase tickets at the door. A meeting Oct. 13 will honor veterans members.

Mrs. Ruth Thompson, degree captain and her staff initiated Mrs. Johann Emery and Mrs. Marie Hoelstra as new members. Birthdays of Mrs. Doris Hargrave, Mrs. Geraldine Stein, Mrs. June Mowery, Mrs. Ruth Hannebrink, Mrs. Lucille Whiteside and Mrs. Linda Smith were observed.

A committee consisting of Mrs. Ophie Smith, Mrs. Verna Wilmoth, Mrs. Elsie Vance, Mrs. Edith Morgan, Mrs. Erma Graves and Mrs. Eva Clemens served refreshments to the members and guests.

SCOUTS, CADETETS MEET AT ST. MARY'S

Girl Scouts and Cadetets of St. Mary's Troop 46 met Monday in the cafeteria of St. Mary's school. The meeting was opened with a flag ceremony by the scouts.

Mrs. Nick Sasyk met with the Cadetets, Paula Broadway, Kathy Krpan, Sharon Leleniewski, Kathy McManahan, Christine Sandor, Jane Sasyk, Joan Sasyk, Delores Stimac, Vicki Votoupal and Andrea Mehelic. Girl Scouts meeting with their leader, Mrs. Mary Etta Wambaugh, were Brenda Broadway, Carol Sasyk, Debbie Topal and Linda Blitch.

Girls present who are to become scouts were Kathleen Werner, Sandra Boshkoff, Delora Spinnoff, Gale Dion, Karen Sasyk, Patti McMullen and Kimberly Plautz. The meeting was closed with the group singing "Tape."

GIRLS AUXILIARY WELCOMES MEMBER

Miss Sandra Risner was hostess to the Girls Auxiliary of the Temple Baptist Church in her home, 2428 Kilbuck drive, Monday evening.

The meeting was called to order by the president, Miss Mary Ann Chamberlain, followed by quoting of the allegiance and the watch word of the auxiliary in unison. Miss Risner read the prayer calendar, followed with prayer for missionaries by the hostess.

Refreshments were served to those mentioned and Connie Alldridge, Delilah Dorste, Glenda Hon, Mrs. Janet Gibbs, Mrs. Ruby Risner and guests, Mrs. Allie Risner and Tom and Ricky Risner.

**Punt, Pass & Kick Rules Announced;
 Contest Oct. 11 at Granite City High**

Rules for the annual Punt, Pass and Kick competition, sponsored by the Ford Motor Co. and the National Football League, were announced today by local director Dick Yates.

Boys may register on official entry forms available at the E. E. Hight Ford agency, 1837 Madison avenue, now through Oct. 9. The competition will be at 1:30 p.m. Sunday, Oct. 11, on the Granite City high school football field. The alternate date, in case of bad weather, is Oct. 15 at 7 p.m.

The age range is eight through 13. Seven-year-olds who will reach their eighth birthday by Jan. 3 may compete, while a 13-year-old who becomes 14 on or before Jan. 3 will not be eligible. Entrants should be prepared to furnish legal proof of age, Yates said.

There will be five levels of competition—local, zone, district, area and national. Six national winners, one in each age group, will be determined at the NFL runner-up game Jan. 3.

Each boy will compete individually in three categories—punting, passing and kicking (using a kicking tee). Judges will score on points for each foot of distance the ball travels on the fly, minus one point for each foot that the ball lands right or left of the center line.

No special footwear is required for the local contest, but all higher competition requires the use of sneakers.

Boys eight, nine and 10 will use a junior-size football while boys 11, 12 and 13 will use a regulation-size football. Prizes will include warm-up jackets, place-kicker practice devices, footballs and trophies.

A complete list of rules has been sent to all schools in the Quad-City area.

**GC Junior Varsity
 Battles Assumption
 To Scoreless Tie**

Stalled by a muddy field, junior varsity football squads from Granite City and Assumption high schools battled to a scoreless tie Monday at the East St. Louis school's field.

While the offense was unable to cross the goal, the GCHS defensive unit didn't allow the young Pioneers to get past the Granite City 40-yard-line.

Coach Stan Wojcik praised the defensive work of linemen Bill Pates and Frank Vivod, end Steve Johnson and linebackers Jerry McKeehan and John Harper.

Although no statistics were kept, Wojcik estimated that fullback Rich Kozial and halfback Harry Briggs accounted for more than half the Warriors' rushing yardage.

Granite City came close to scoring in the third quarter, advancing to the one-yard-line, but a dropped pass in the end zone ended the threat.

A scheduled game at St. Louis CBC Saturday has been postponed indefinitely and the boys are slated to meet Cahokia here Oct. 10 in their next contest.

A silver dollar dated 1922, the year of fire truck No. 1's birth, was paid for the old American LaFrance pumper in ceremonies yesterday at the Numeoki fire station where the named city vehicle was housed.

Richard E. Hulet, dean of students of Illinois State University of Normal, made the silver dollar presentation to Granite City Mayor Leonard Davis. The mayor presented the truck keys in return as other city and university officials looked on.

While the old pumper put out many a fire in Granite City, it will be used at ISU to ignite blazes of student spirit. The truck will be hauled to Normal, overhauled and used in parades at football games, student rallies and other campus events.

Actual purchaser of the vehicle, the University Club, an all-male student organization at ISU, a sophomore from Normal, Fred Kne, was chairman of the fire truck project and was present yesterday.

The truck will retain the name of Granite City on the side and will be equipped with a sound system and appropriate university symbols. The University Club also plans to make it available to campus police for use in traffic direction after athletic events.

The University club had offered to pay as much as \$300 for the truck but the city council agreed to sell it for a dollar after being informed by City Atty. George Filcott Jr. that a suggestion by an alderman to give it to the university could not be carried out legally.

Hunters who intend to apply for permits to hunt on state-operated hunting areas should do so as soon as possible, the Illinois Department of Conservation announced today. Both weekday and weekend reservations are still available, but weekend dates are being filled rapidly.

The pheasant areas operated on a permit basis are: Chain-O-Lakes, near the town of Fox Lake; Des Plaines, south of Joliet; Green River, north of Ohio, Ill.; Iroquois county, southeast of St. Anne; Shelby county, near Cowden; Clinton county, near Boulder; and Richland county at Calhoun.

The duck areas are: Rice Lake, south of Banner; Anderson Lake, southwest of Havana, and Sangamon-Knap Island at Brownings. The goose areas are Union County, south of Ware, and Horseshoe Lake north of Cairo. The goose areas will not operate Thursdays and Fridays.

Applications should list the hunter's name, a partner's name, the area desired, the date desired and an alternate date.

OLD FIRE TRUCK turned over to Illinois State University, Normal. Taking part in ceremonies (foreground, from left) are Ford Johnson and Walter Nann, Granite City aldermen; Leonard Davis, mayor; Richard E. Hulet, ISU dean of students, and James L. Fisher, assistant to the ISU president. Looking on (left side of truck) are Elijah King, fire chief; Curtis Danley, assistant fire chief and Raymond Willared, chief of police. Wearing fire helmets in truck seat are Ken Johnson of Chicago, Fred Kne of Normal and Bob Grimmer of Belleville, all ISU students.

SOCIETY

Happiness Theme For Sorority

The home of Miss Dorothy Cox, 2389 Stratford lane, was the place of meeting last night for Theta Theta Chapter of Beta Sigma Phi sorority.

Miss Sadie Hagopian, vice-president, was in charge and the program, entitled "Definition of Happiness" was given by Miss Annabel Zang.

The prize for the evening went to Mrs. Queenie Elieff. Others attending were Mrs. Virginia Johnson, Mrs. Mary Yavin, Miss Hazel Towery, Mrs. Martha Santoro, Miss Zang and Miss Hagan.

The next meeting will be with Mrs. Elieff, 3119 Colgate place.

OES CHAPTER WILL OBSERVE GUEST NIGHT

Granite Chapter 650, Order of Eastern Star, will observe guest night at 8 p.m. Friday with worthy matrons and patrons from other chapters serving as guest officers.

Mrs. Arline Fox, grand lecturer and a member of the eligibility committee of the Grand Chapter, will be guest of honor at the meeting. Mrs. Dorothy McFarland of an Alton chapter, and James Wood of Freeborn, Ill., will serve as worthy matron and patron for the evening.

Committees, Walks, Rules Occupy Maryville Parents

Boy Scout Troop 96, sponsored by the Maryville School PTA, chairman.

Mrs. Baumbarger listed the objects of the PTA to acquaint new members with work conducted by the organization.

A lengthy discussion was held on sidewalks which were expected to be finished by this state convention in Peoria were school year. A letter from county highway authorities was read, with a recommendation that the school wait until all utilities are installed and the street paved.

Olived and gravelled walkways have been completed to the city limits for the students' use at the present time.

Wyatt Watkins presented the budget, which was approved.

Owen Humphreys, principal, spoke on school rules and procedure and introduced the teachers to the PTA membership.

Miss Norma Robertson conducted a brief business meeting with a report given by Mrs. Donna Thies, secretary-treasurer. A discussion was held on Thanksgiving dinner at Rusty's Restaurant in Edwardsville. The date is to be set at a later meeting.

Games were played and prizes awarded to Mrs. Sarah Hogan, first; Mrs. Norma Robertson, second and Mrs. Rose Segedy, third. The Hooper prize went to Mrs. Linda Giger.

The hostess served a buffet luncheon to those named and Mrs. Charlotte Rickert, who will entertain the members for their next regular meeting, Oct. 19.

—GO TO CHURCH SUNDAY—

Women of Moose Set Date for Tea

Women of the Moose Chapter 247 made plans for a nurses' tea during a business meeting last night with Mrs. Marian Lipscomb, senior regent, in charge.

Plans for the tea to be held Oct. 11 at 2 p.m. were completed and reports of the recent meeting of the Moose Association were given by the senior regent, Mrs. Clara Waggoner, recorder, Mrs. Clara Noonan and Jennie Mihl. Plans are being made for a canned goods social and the members are asked to contribute.

A "Christmas in October" party will be held next month, the proceeds to be used for children at Moosehart.

Prizes were won by Edna Frank, Edith Rodgers, Lulu Gundlach and Warren Flaughter.

The motto of the convention was "Go Ye In Faith, Forward."

Officers were elected and the convention was addressed by Rev. Paul M. Heebly, secretary of the Board of World Missions of the Lutheran Church-Missouri Synod. His topic was "The Gospel, God's Gifts For Us To Give."

The three Grand City churches were represented by Mrs. Samuel Dole, Mrs. Michael Schaubert, Mrs. Robert Muehle, Mrs. Clyde Hileman, Mrs. Charles Knecht, Mrs. Ray Schubert, Mrs. Robert Krause, Mrs. Charles Roesser, Mrs. Edgar Durbin, Mrs. Clara Schuler, Mrs. Ernest Donald, Mrs. Clifford Hallett, Mrs. Edna Dietrich, Mrs. Henry Buente, and Mrs. Henry Rohlfing.

Lake School PTA to Start Recruiting New Members

Membership recruiting plans were made at the September meeting of the Lake school Parent-Teacher Association Monday evening in the all-purpose room at the school.

The meeting opened with the LUTHERAN WOMEN ATTENDING CONVENTION

A number of women from St. John, Hope and Concordia Lutheran Churches were in Belleville Wednesday as delegates to the 12th biennial convention of the Lutheran Women's Missionary League held in Zion Lutheran Church, representing 103 congregations with 821 women in attendance.

The motto of the convention was "Go Ye In Faith, Forward."

Officers were elected and the convention was addressed by Rev. Paul M. Heebly, secretary of the Board of World Missions of the Lutheran Church-Missouri Synod. His topic was "The Gospel, God's Gifts For Us To Give."

The three Grand City churches were represented by Mrs. Samuel Dole, Mrs. Michael Schaubert, Mrs. Robert Muehle, Mrs. Clyde Hileman, Mrs. Charles Knecht, Mrs. Ray Schubert, Mrs. Robert Krause, Mrs. Charles Roesser, Mrs. Edgar Durbin, Mrs. Clara Schuler, Mrs. Ernest Donald, Mrs. Clifford Hallett, Mrs. Edna Dietrich, Mrs. Henry Buente, and Mrs. Henry Rohlfing.

CADETTE TROOP TO BEGIN FIRST-AID

Cadet Girl Scout Troop 234 met Monday evening at Frasier Junior high school with the leader, Mrs. Norma Walton, and made plans to hold a Halloween party Oct. 21 and to start a "challenge of emergency" preparedness program by taking a first-aid course starting Oct. 1.

Others present were Reba Hancock, Pamela Westbrock, Mrs. John Hagan, Betty Burnett, Vicki Antopolis, Vickie Bisan and Pamela Kessler.

HOME FROM HOSPITAL

Mrs. Thelma Pogue, 105 Colville avenue, returned home Monday after a week's stay in Barnes Hospital, St. Louis.

THE HOWARD STOPPOTTE family and Dempsey Cross family plan to have a fish fry in California Sunday afternoon as a surprise on her birthday. The family are former Granite City residents.

FISH FRY HELD AT CROSS RESIDENCE

Mr. and Mrs. Dempsey Cross and children, 2311 Logan avenue, had a fish fry in their home Tuesday evening. The fish were caught by Cross and his son, Dempsey Jr., on a trip to the lake earlier in the summer.

Guests were Mr. and Mrs. Howard Stoppotte and children, David and Janet, Mr. and Mrs. Grant Harrison and son, Darrell, Mrs. Lillie Anderson and son, Dennis, 12 years old; Mr. and Mrs. Alan LeMaster and children, Barbara, Karen, Bobby and Tom; James and Judy, Mr. and Mrs. Demsey, Mike, Pamela and Mary Beth.

CUB PACK FOUR HOLDS INITIAL MEETING

Cub Pack Four, sponsored by the Logan school PTA, held its first meeting at the school with cubmaster Jim Reynolds in charge.

A new assistant cubmaster, Gail Summers, and new den mothers and assistant den mothers, Mrs. Dorothy Summers, Mrs. Ruby Freeman and Betty Tester, were introduced.

It was announced a Cub Scout summer camp is being held at Logan school. Leo Robertson was graduated and the den mother, Mrs. Rosemary Lewis, received a three-year service pin.

GIRL SCOUT LEADERS PLAN FUTURE PROGRAMS

Girl Scout Leaders of River Bluffs Council District Four, Neighborhood Two, met Wednesday morning at Lincoln Place community center with the Neighborhood chairman, Mrs. Wilma Hancock, in charge.

Program yearbooks were distributed and plans for the coming year were discussed. A members' recognition dinner is planned for Oct. 29 at the Rose Bowl restaurant with a Halloween theme.

A United Fund appreciation tag day is set for Oct. 30 and a workshop for Cadettes and Juniors program training will start Nov. 1.

Hostesses were Mrs. Betty Elbrecht, Mrs. Beverly Seybert and Mrs. Toni Holmes. Approximately 18 were present.

TWO NEW CUB PACKS FOR MITCHELL AREA

Two new cub packs have been organized in Mitchell, with Cub Pack 41 designated for boys living east of the Mitchell railroad tracks and Pack 141 for those residing on the west side.

Boys between the ages of eight and ten years old who wish to join Pack 41 may contact Cubmaster Floyd Jordan at TR. 6-4243 or Wally Holder, TR. 6-8212. Those interested in Cub Pack 141 should call Joe Jones, TR. 7-1375 or Jim Green, TR. 7-4780.

HOME ON LEAVE

Joe David Presley, son of Mr. and Mrs. J. L. Presley, has arrived home from Germany, where he spent two-and-a-half years in service. Following a furlough, he will report at El Paso, Tex., for further duty.

\$37,986 Award on Sinks, Cabinets in Apartments

The Madison County Housing Authority this week awarded to Lockwood Industries, East St. Louis, a \$37,986 sink and cabinet contract, based on the low bid. A bid opening held Monday at the MCHA office in Madison.

The firm will provide and install new kitchen cabinets and sinks in apartments of the Garcelle Homes in Madison and Viola Jones Homes in Venice.

Venice-Madison 4-H Club Holds Achievement Night

Achievement night was held Tuesday by the Venice and Madison 4-H Club with 52 persons present for the program held at Lee Wright Homes recreation center in Venice.

Miss Betty Williams, president, opened the meeting with the flag pledge and there was a report by the secretary, Miss Verna Boyd.

Exhibits prepared by the members were judged by Mrs. Mary Knehl, assistant Madison county home advisor of Edwardsville. She awarded ribbons, certificates and prizes to all girls submitting their first exhibits.

Certificates of awards and gifts were presented to 4-H club leaders—Mrs. Ernestine Baker, Mrs. Louise Anderson, Mrs. Corrine Silas and Mrs. Virginia Robinson.

Speakers of the evening were introduced by the club vice-president, Miss Waldina Silas. The speakers were Miss Verna Boyd, who talked on "How to Make Spanish Rice," and Miss Betty Williams, who related "What I Like About the 4-H Club."

Miss Diana Tadlock of 1517 St. Clair avenue, a Madison county 4-H winner who represented the county at the state fair in Springfield, demonstrated her winning recipe, "A Yeast Tea Ring." Miss Joyce Regina Boyd demonstrated "Table Arrangements."

Leaders appointed for the new year are—Mrs. Lucille Wilson, 1132 Logan street, Madison; Mrs. Ethel Williams, 163 Lee Wright Homes; Mrs. Albert Boyd, 51 Lee Wright Homes and Mrs. Fannie Dandridge, 65 Lee Wright Homes.

Guests at this week's meeting were Mrs. Frederick Dillingier, Mr. Ozzie Patton, Mrs. Raymond Tadlock and Mrs. Robert Heiding.

The club will meet next at 4 p.m. Oct. 8 at the Lee Wright Homes recreation center to elect new officers.

DUPLICATE BRIDGE CLUB MEETS AT YMCA

The Granite City Duplicate Bridge club held its weekly meet Monday at 10:30 a.m. at the YMCA under the direction of Mrs. Helen Meyer.

First place honors went to Mrs. Lou England and Mrs. Helen Collins; second place to Mrs. Helen Blum and Mrs. Betty Caldwell; and third place to Mrs. Dorothy Lybarger and Mrs. Margaret Morgan.

Night duplicate bridge sessions will be held at YMCA at 6:30 Sunday evenings.

COUSINS SHARE BIRTHDAY HONORS

Cousins, Misses Janet and Sandy Line shared birthday honors at a party Sunday evening given by the former's parents, Mr. and Mrs. Steven Line, 121 Woodlawn avenue. Sandy is the daughter of Mr. and Mrs. David Line.

A record time was used in the red and black decorations with a centerpiece of white and red in miniature dancing on a record. A birthday cake was made in the shape of a record player and decorated with white and black outlines.

Guests attending were Gary Stevenson, Pat McMurry, Sue Sabn, Terry Atchley, Arlette Schluter, Ron Legate, Jo Ann Ellberg, Gary Bartel, Jane Vasiloff, Larry Curry, Jamle Fodd, Dwan Bridge, Anita Geyer, Ruth Costello, Jerry Line, Bob Asbeck, Barbara Begeman, Fred Hoffman, Diane Dochwat, Freddy Hayes, Pam Ahling, Kent Scheibel, John Lyndon, and a Roger McDonald.

Assisting the hosts were Mrs. Dorothy Line and Mr. and Mrs. Vasil Vasiloff.

Walter Volkman, president of the Nameoki school PTA has announced that the annual magazine sale will be held from Oct. 23 to Oct. 27.

Fifth and sixth grade students will participate, with the proceeds to be used for the school picnic and an annual trip to Springfield for the sixth grade students.

COOLIDGE PTA BOARD PLANS FUTURE PROGRAMS

Homer Johnson, Coolidge junior high school PTA president, held the first of five board meetings Monday evening at the school. Reports were given by Mrs. Kathleen Troick, secretary, and Mrs. Wilma McQuinn, treasurer.

The main discussion was on programs for the year. The

meetings will be held in October, January, March and May. Program books will be available at the October general meeting.

Fund raising projects were also discussed, with a definite project to be decided at a later meeting.

Johnson announced the District 29 conference to be held on Sept. 29 at St. John United Church of Christ, with the Granite City PTAs acting as hosts.

Mrs. Olivia Kunneman and Lewis Sabn were appointed delegates to the Area Council dinner to be held tonight at Niedringhaus school.

Monday's PTA meeting will be held Monday, Sept. 28, when the program will be on equipment used by coaches and players. Bill Tyle, football coach, and Jon Toncuff will have a boy dressed in a football uniform. As he removes each piece of equipment, they will explain its purpose. Toncuff will also speak briefly on the coming basketball season and explain the intramural program.

Others present were Mrs. Marcel Gerlach and Ralph Frohman, principal.

FOUR LOCAL WOMEN ATTEND CONVENTION

Four local women attended the 36th annual convention of the Springfield Diocese of the Council of Catholic Women held at Hotel Orlando in Eldorado, Mo., Sept. 20-22.

The meeting was "Challenge To Christian Living." Approximately 400 attended.

Those attending were Mrs. Edgar Neumann of St. Elizabeth Church, president of the Altos Diocese and vice-president of the Springfield Diocese Women's Council; Mrs. Andrew Corey of St. Elizabeth, who was elected director-at-large for the Altos Diocese; Mrs. Frank Pave, delegate from St. Elizabeth Church; and Mrs. Gabrielle Benes from Sacred Heart Church.

PRESBYTERIAN CIRCLE RESUME MEETINGS

The Evening circle of the Nameoki Presbyterian Church resumed monthly meetings Tuesday evening in the home of Mrs. James Carr, 1247 Campergate road, St. Louis county.

Mrs. Louise Thompson read the mission names of the day and offered prayer in their behalf. The lesson taken from the study book, "New Life and New Love" was given by Mrs. Irma Taylor.

Mrs. Thompson distributed materials for cancer dressings which members will complete at home. Refreshments were served by the hostess to the above named and Mesdames Bea Pyle, Lou Pyle, Fern Mitchell and Bonnie Britton.

Mrs. Lou Pyle invited the group to her home, 1716 More avenue, for the next meeting on Oct. 27.

MRS. HEIN HOSTESS TO EMB CIRCLE

Mrs. Mary Jo Hein, 1740 Primrose avenue, entertained the Every Member Busy circle of Nameoki Methodist Church Tuesday evening in her home.

Mrs. Dorothy Luckert presented the program and the business meeting was conducted by Miss Morene Greshing, chairman.

Announcement was made of an officers' training workshop to be held at the church on Oct. 3 at 7:30 p.m. A district officer will conduct the training.

Six Granite City Methodist churches will combine for a "Quiet Day Service" at Nameoki Methodist Church on Oct. 29 at 7:30 p.m.

Formal opening ceremonies for the new addition to the church will be held on Oct. 11, with Bishop Lance Webb speaking at the morning service. The church will remain open throughout the day and Rev. Pankhauser, a district superintendent, will speak at the evening service.

The next meeting will be held in the home of Miss Jane Eklins, 2628 State street, Oct. 27. The meeting was closed with prayer offered by Mrs. Vivian Guika.

Refreshments were served by the hostess to the above named and Mesdames Mildred Nancey, Lu Ann Briener, Mayne West and two guests, Mrs. Pat Kent and Mrs. Nellie Jones.

LAWN PARTY

Mr. and Mrs. Kelly Corcoran entertained friends Sunday evening with a lawn party held around a huge bonfire at their home, 2504 Stratford lane.

The guests popped corn, roasted marshmallows and enjoyed a songfest.

Those present were Mr. and Mrs. Jack Giger, Mr. and Mrs. Phillip Thies and Mr. and Mrs. Jake Jakich.

SURPRISE SHOWER HONORS MRS. MOORE

A surprise cradle shower was given Tuesday evening honoring Mrs. Kathy Moore at the home of Mrs. Gloria Ziegler, 1240 Twenty-second street.

Games in keeping with the affair were played and prizes went to Miss Pat Maxwell, Miss Rose Marie Geissert and Mrs. Alice Naev.

A dessert luncheon was served by the hostess to the bridesmaids and Misses Carmen McGovern and Ruth Kellogg and Mesdames Mary Spillers and Sharon File.

Special Permit Ok'd by City For Automatic Auto Wash

A special zoning permit for an automatic car wash business to be operated by William Kozak between Pershing and Madison streets was approved Monday night by Granite City council members based on a report approved by the City Plan Commission. Kozak also has a supermarket and a laundromat on the property along Namook road.

The council last July began a policy of requiring special permit approval by the City Plan Commission for the location of automatic car wash businesses on property that is zone C-2 Commercial. The Kozak property is zoned C-2.

Fahnester Seeks Permit
A request was received from Fred Fahnester for an automatic car wash business at 27th street and Namook road adjacent to his service station. The property presently is zoned C-2 residential and he seeks a C-2 commercial designation with a special permit for the car wash. Fahnester's request was referred to the City Plan Commission, and his additional request for a driveway on the north side of East 27th street to serve the proposed car wash was held in abeyance.

The council received from the City Plan Commission a rejection of a commercial designation for a vacant tract zoned residential at 2400 Delmar avenue. Dr. Albert Briant, local dentist, had sought the zone change to build offices.

Plant Site Ok'd
Notification also was given by the City Plan Commission's approval of a manufacturing designation for a tract off Route 3 (old 67a) north of West Granite for Young & Greenwald Co. which plans to erect a culvert fabrication plant there. Also referred to the Plan Commission by the council was a request for operation of a beauty

shop at 2410 Madison avenue by Mrs. Jessie Lee Jones. She informed the council that she had been operating a beauty shop in her home in Venice before moving to Granite City a few months ago and that she wanted to continue to serve her customers.

2 Local Scuba Divers Guests of Worden Lions

Ronald Homyer, a Granite City Steel Co. foreman and A. J. Mueller Jr., Press-Record general manager, were guest speakers Tuesday evening at a dinner meeting of the Worden Lions club, Worden.

Mueller discussed the past history of the underwater sport and outlined its future role in science. Scuba diving techniques and the training procedure involved were outlined by Homyer. Diving equipment and several artifacts were displayed by the two men, both of whom are members of the Bubblemasters Scuba Diving club and the Granite City Underwater Recovery Team.

Mitchell Kiwanis Plan "Ladies Night" Event

Plans for a "ladies night" were discussed Monday evening by the Mitchell Kiwanis during a regular meeting held at Art and Norma's Tavern, 188 Douglas avenue. Mitchell, final arrangements for the special ladies evening are to be announced next week. Gene Durrett, Kiwanis president reported.

The event is one of the social highlights of the club year. For time reports were heard and members discussed attending the annual district convention slated for Oct. 4, 5 and 6.

Buick Unveils 27 Models In Seven Series for '65

Buick will have 27 models in 1965. Many of these are being shown starting today at Mixon Buick, 1910 State street, East St. Louis.

Included this year is a new version of the Riviera, the Gran Sport. This optional version includes the 425-cubic inch 360-horsepower Super Wildcat engine with twin four-barrel carburetors and dual exhaust.

Also available on the new model are headlights behind a shield cover that can be opened and closed by pulling a switch. In other words, the headlights can be hidden from view.

Other lines are the Electra, the Wildcat, the LeSabre, the Sportwagon, the Skylark and the Buick Special.

The latter is an economy car available in either V-6 or V-8. Optional in the Skylark, a "smaller-size luxury car," bucket seats.

GRANITE CITY PRESS-RECORD

SEPTEMBER 23, 1914
Prospects for Granite City having two winter theatres this winter instead of one, were enhanced last evening when Edison A. Dodge, proprietor and manager of the Empress skydome, announced plans for the formation of a stock company for the purpose of creating a winter garden along modern plans. Stock in the company is now being sold.

Until the Empress opened this summer, Granite City had but one theatre, the Washington. When Dodge opened the new one, there was considerable competition, and the public received a higher grade of motion pictures and vaudeville. Some of the companies that appeared in Granite City this summer were of the grade that is played in St. Louis leading theatres.

The congregation of the Niederrhous Methodist Episcopal Church has adopted a policy for next Sunday morning and evening that is equivalent in a way to the old saying that "when you see away the mice will play." The church members have taken charge of the planning, since the pastor, Rev. Charles A. Ricketts, is in Lawrenceville attending the annual conference, and will not be present.

In view of the fact that no pastor will be present, the day has been set aside as a rally day, and a big program has been prepared. The morning service will include a short Sunday school review together with a musical and literary program. Three laymen in the church will give brief talks on various subjects, and special singing has been planned. In the evening, there will be a social.

P. Frohardt will occupy the pulpit, and there will be more special music and other features.

W. R. Bilyeu of Manila, Philippine Islands, was in Granite City last night visiting his cousin, Charles A. Uzzell. Bilyeu is connected with the government auditing department, navigation bureau, and has been located with his family in Manila for 15 years. He is to sail from San Francisco Oct. 5 and will be on the water about 30 days.

The Granite City United Church Club will meet at the Elks' club rooms next Sunday at 2:30 p.m. Mrs. W. F. Winter, assistant secretary, reports.

William Wetzell, Mrs. Mary Hessel, and Mrs. Lena Zulauf attended the state fair in Springfield this week.

A meeting of the Granite City Commercial club, wherein the question of promoting hard roads in Madison county was discussed, was productive of splendid results. Representatives of commercial clubs of Alton, Edwardsville and Granite City met at the Elks' club Tuesday, when definite action was taken that will mean the commencement of actual work upon hard roads, and will lead to a complete system of the finest roads in the country.

The roads are to be made of concrete, and will be paved streets, and will afford a highway that will stand as a monument to the country for a half-century or more.

Terre Haute, Ind., as guests of Mrs. Paul's mother.

The 1939 edition of Madison County was the first time this season in a non-conference game with Sparta that ended in a tie, due to the disappointment of fully 1000 enthusiastic fans.

Most of last week's commotion had been reached between the present owners of the Elks' club, and the city officials on the price, and the city is to pay for the tract. As soon as the necessary orders providing for the method of financing and administration, the proposition will be officially accepted by the council.

The site which it is proposed to purchase is part of a tract owned by Warren Champion, and was formerly used as a baseball diamond by the Veterans' league. The portion to be bought for the park site lies between Klein Avenue and Broadway, and the Terminal Railroad right-of-way. It is understood the price agreed upon is \$8800.

Two saloons on Madison Avenue sold bottled beer for a nickel a bottle. One of the saloons reported that Saturday night that both places were jam-packed. The reports estimated the number of patrons in each place when there was as high as 400. On the same evening at the same time there was heavy traffic and much of the driving was reckless and fast. In that vicinity, there have been five or six people killed in traffic in the last four years.

Mrs. Fred Pieper of the Ralph apartments gave a party for her bridge club the past week and included a guest, Mrs. Lillian Willard. Prize winners were Mrs. Louis Barnett, Mrs. Al Perkins and Mrs. Roy Logan.

George Peppers, who lives in Madison, had a flock of 10 fat turkeys which he had been feeding for the holiday season. Shortly after he turned them out to pasture yesterday morning, he missed two of them and notified police. A search of the neighborhood was made by the officers who went to investigate the kidnapping, and the two birds were located in the home of a neighbor.

Fairmount race track continues to establish new records for attendances and mutual handles. On Saturday, 16,000 horses packed the track and poured \$131,222 into the mutual windows. The mutual handle also reached the \$1 million mark, when \$140,000 was wagered on eight races.

There will be no cycle of "hat propaganda" movies as a result of the European war, will Hays, czar of the movie industry, in Chicago yesterday. Hays said in which the war appears as a secondary element will probably be made. But, there will be no movies for the purpose of stirring up animosities between the races. The purpose of the movies is to entertain.

CHEVROLET IMPALA sport coupe for 1965 shows new flowing lines, new roominess and a distinctive profile. The Impala, one of 15 regular-size Chevrolet models, went on display today at Mathews Chevrolet here.

Styling Changes Evident In Chevrolet's 1965 Line

Chevrolet, unveiling its 1965 line, has placed emphasis on the "fine car" field and significant styling changes in its new passenger cars.

Locally, the new Chevys went on display at Mathews Chevrolet Co., 1511 Niedringhaus avenue, this morning.

Dealer Milton Mathews said a complete display of the five lines is available. "I'd say there's been a 100% change," he said of the styling modifications. "These, I think, are the best cars ever made."

Chevrolet is producing 45 models in the regular Chevrolet line, including Chevrolet II and Corvette lines. Among 400 accessories and optional features is the first FM radio system offered by an auto maker and a "telescoping steering column" in Corvettes and Chevroettes.

The regular Chevy has an entirely new look with square

front fenders and a grille framed by deeply recessed headlights. The rear deck is flat with a slight downward taper to a full-width rear bumper.

Corvair, the sports-type model, has its first major styling change since its introduction in 1960. Sportiness is emphasized with the Cora replacing the Spyder model and turbocharged engine increased from 150 to 180 horsepower.

The Chevelle, in its second year, now includes a new economy series, the "300"; the Chevy II, entering its fourth year, has a new grille with single headlamp design, and the Corvette will again offer two Sting Ray models, a convertible and sport coupe, and has a redesigned instrument cluster.

All models, except the Corvair, are available in 15 colors, 13 of them new. Corvettes are offered in a choice of eight colors.

Seebold Concrete Files Suits for Amounts Due

Paul Seebold Concrete Co. has filed suits against Ben McMillan and Ken McMillan, both of Granite City, for amounts due in payment of concrete and related products furnished by the firm. The suit was filed in Madison county circuit court at Edwardsville.

The company seeks \$341 from Ben McMillan and \$431 from Ken McMillan, plus costs. The cases are to be heard in the magistrate division of the court.

Parking Lot Accident

A car driven by Charles Usrey, 7947 Delmar avenue, damaged the left side of another owned by Eldon M. Pitts, Cook Station, Mo., while it was parked on the Club Delmar lot, 1820 Delmar avenue, at 7:50 p.m. Monday.

New Law Protects GC Police Dogs

An ordinance forbidding mistreatment of the city's new police dogs, Stormy and Prince, or interfering with their performance of duty, was approved Monday night by Granite City council members with an objection voiced by Alderman Steve Baasrich.

Baasrich said the same law should apply to all dogs in the city, "even the little chow being led on a leash by a little old lady," adding that a police dog has a handler with a club and gun to protect him.

The ordinance states that any violation would be a misdemeanor.

Guidance

More good might be accomplished today by ringing a curfew for the children's parents.

Venice Police Report 134 Arrests in Month

A total of 134 arrests during August, 95 of which were assigned to courts for trials or other disposition, were reported by Police Chief Dewitt of Venice.

Dewitt said 18 of the cases were withdrawn, two prisoners were released because no charges were filed and another was released because the complainant refused to prosecute. Two others, Dewitt said, worked out fines helping the city street department.

now! the beautiful shapes for '65

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with interior comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, rich new fabrics and an instrument

panel that's a conversation piece all by itself (in the Impala it has the look of hand-rubbed walnut). In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

'65 Chevrolet Malibu Super Sport Coupe

Chevelle Malibu '65

New style, new ride—and plenty of V8 stuff. Here's all that made Chevelle America's most popular new-sized car—plus some surprises that promise to make it come on even stronger. Like those cleaner, bolder lines. Like the silky

way its new ride skims over the choppiest roads. Like V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may very well be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And offers a new range of engines,

including a new 300-hp V8. If you go by all the fine new features, you could get the idea that saving you money was about the last thing we had in mind. And in a way it was. Right up until we pasted on the price sticker.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair? The longer, wider design gives all closed models a hardtop roof, accented by frameless curved side windows. It also allows more shoulder and entrance room. And to go with the racier

look, there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension system, bigger self-adjusting brakes, more responsive steering and a wider road stance.

THIS NEW FORD Galaxie 500 will be among new 1965 Fords that will make their debut Friday in the showroom of the B. E. Hohl, Inc., 1837 Madison avenue. The complete line of 1965 models — two and four-door hardtops, sedans, convertibles and station wagons will be introduced at Friday's showing.

Profanity Charge Filed
Ernie Dale Stephens, 19, of 1315 Second street, Madison, was arrested at 2:15 a.m. Tuesday at 20th street and Madison avenue on a charge of using profane language.

Ford's 17 New '65 Models To Make Debut Friday

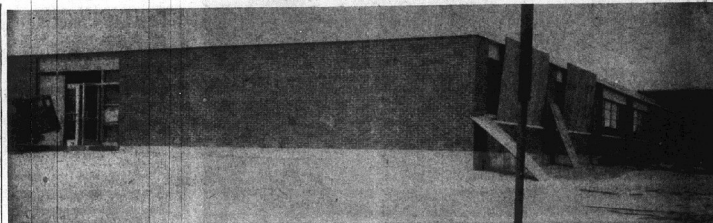

The "most changed Ford in running and more economical than any other six-cylinder division" will make its debut in the Ford showrooms of B. E. Hohl, Inc., 1837 Madison avenue, Friday. New Ford models include such items as the industry's first center-facing dual rear seats in the station wagon.

Some of the other features include curved side glass for increased shoulder room; a 13% reduction in the floor tunnel for greater passenger comfort; recessed instrument panel with several additional inches of space in the passenger compartment, and a deeper trunk.

Glasses Lost or Stolen

Mrs. Louise Bodi, 1747 Chestnut street, reported the loss or theft of her son's eye glasses on Sept. 15 along West 20th street. They were brown-rimmed and a brown case.

NEARING COMPLETION is a four-classroom addition to Wilson grade school in the Glenview subdivision. The top picture shows how the square of four rooms has been added to a previously-constructed wing of the building. Workmen in the lower photograph are installing tile flooring in one of the new classrooms. Built by the Leo Wolf Co., with electric work by Dron, plumbing by Gallo-way-Von Gruening and heating by Tri-City Heating Co., the addition is scheduled for use in a short time. Its \$49,000 cost is being financed from the regular school budgets of last year and this year.

Williams on Navy Leave, Assigned to Destroyer

Seaman Apprentice Jerry Lynn Williams arrived home this week to spend a 14-day leave with his parents, Mr. and Mrs. John H. Williams, 2911 Myrtle avenue, before reporting to a destroyer, the U.S. Willard Keith, based at Norfolk, Va.

Williams will be trained as a boilerman. A June graduate of Granite City high school, he joined the Navy on a three-year enlistment July 20 and has just completed basic training at the Great Lakes, Ill., Training Center. Graduation exercises were attended by his parents.

2 Walkie-Talkie Units Bought for GC Police

Purchase of portable, two-way walkie-talkie radio units for officers handling Granite City's two police dogs was authorized by the council Monday night.

The low bidder was Motorola Corp. with a \$1312 figure.

Council members also awarded a contract to Raub Painting Co. on a bid of \$1010 to paint the police rooms and cellblocks at the city hall.

Bids are to be sought for other equipment for the police department, and the council approved the purchase of two pickup trucks for the street department to be used by the foremen.

The 1964 trucks are to be bought from Mathews Chevrolet for \$2050. The city is trading an old dump truck and a pickup truck.

Other equipment needed for the police department includes four typewriters and a new main station radio transmitter and receiver. The council approved the bid call and included a fifth typewriter for the city clerk's office.

Education Sunday Program Scheduled

Christian Education Sunday will be observed at First United Presbyterian Church Sept. 27, according to an announcement by the pastor, Rev. Dr. David B. Maxton, pastor.

Church school superintendents Ben Livingston and Ralph Reeder, and secretary Paul Danco, are making plans for the recognition of 65 officers, department superintendents and teachers at the worship services.

Three hundred pupils will be promoted in all church school departments during the regular church school hour.

Others to be included in the educational recognition are church sponsors of Boy Scouts, Girl Scouts, Cub Packs, Senior High Fellowship, Junior High Fellowship, and the Committee of Christian Education.

Jury Rules Suicide In Mrs. Williams' Death

A verdict of suicide in the death of Mrs. Ella Mae Williams, 47, of 1337 Edwardsville road, was returned during a coroner's inquest conducted Monday night by Deputy Coroner John L. Sedlack. The jurors attributed Mrs. Williams' death to strangulation by hanging.

Mrs. Williams was found dead in the bathroom in her home Sunday afternoon, a clothesline tied around her neck and to a radiator. No notes were found.

Heart Ailment Fatal To Harry Tucker, 60

Special Centers to Register New Voters

Special centers at which persons qualified to vote may register for the Nov. 3 general elections will be open this weekend for the convenience of Quad-City residents. This was announced by Miss Eulalia Hottel, Madison county clerk, who issued a reminder that the deadline for registration is Oct. 6.

Similar registration periods have been held weekly since early this month to permit area voters to complete registration requirements without the necessity of traveling to Edwardsville to do so at the county clerk's office. Deputy registrars have been available at the announced locations to accept registrations of those persons who meet qualifications of a voter, but who have not yet been registered. In addition, a list of permanent deputy registrars in the Quad-City area has been announced by the county clerk's office to aid persons who might not be able to apply at any of the special registration sites.

Special registration periods announced for this week include: Friday—First Granite City National bank, 4 p.m. to 7 p.m.; Saturday—Anchorage Homes, Granite City, 10 a.m. to 7 p.m.; West Madison Memorial Center, Third and Washington streets, Madison, noon to 8 p.m.; State Park Place school, Nameoki township, 9 a.m. to 5 p.m.; Oct. 2—Granite City Trust & Savings bank, 4 p.m. to 7 p.m.; Oct. 3—Venice Drug Store, 1200 Longstreet, noon to 8 p.m.

List Regular Registrars
Those qualified to vote are persons reaching the age of 21 years or older by Nov. 3 who have lived one year in the state, 90 days in the county and 30 days in the same precinct. Permanent deputy registrars who also will accept new registrations include: Mrs. Olive Sigste, 2225 Bryan avenue, evenings by appointment; Mrs. Rose Turner, 2141 Waterman avenue, 6 to 8 p.m. Saturday by appointment; Mrs. Elvira Thurber, 1392 State street, 9 a.m. to 5 p.m. daily, Saturdays 8 a.m. to noon, evenings by appointment; Mrs. Jewell Young, 909 Franklin avenue, 9 a.m. to 5 p.m.; E. J. Miller, Madison city hall, 9 a.m. to 4:30 p.m.; Demos Nicholas, 1548 Fourth street, Madison, 9 a.m. to 5 p.m.; Mrs. Lois Weeks, 129 East Chain of Rocks road, Mitchell, 6 p.m. to 8 p.m.; Mrs. Florine Musick, 600 Lincoln avenue, Venice, 9 a.m. to 5 p.m. daily, evenings by appointment.

Rites Held for Sister Of Granite City Man

Funeral services were held Wednesday afternoon for Mrs. Helen Gordon, 40, Roxana, wife of Sam Gordon, superintendent of maintenance of the Roxana Park district, Mrs. Gordon died in St. Joseph's hospital following emergency surgery.

Mrs. Gordon was a native of Alton and had spent nearly all of her life in the Alton area. She leaves her husband, her mother, a son, Monty Del; a sister, Mrs. George Sterling of Bethalto, and three brothers, Fred L. Garner, Granite City; John M. Garner of Wood River and Charles E. Garner, in military service in West Germany.

GC Steel Co. Marketing New High-Strength Steel

Granite City Steel Co. announced today it has begun marketing a new product, "Granite City Cor-Ten," which combines high strength with other important properties to produce a steel expected to be used in a wide range of products.

John A. Leschen, vice-president of sales who announced the new steel is now in production, also said the company is offering a broader selection of high strength low-alloy steels in its common bearing "Hi-Yield" series.

Leschen said the Granite City Cor-Ten brand plates and hot rolled steels are "four to six times more resistant to atmospheric corrosion than regular carbon steel and also stand up

exceptionally well under severe mechanical stress such as repeated impact and machinery."

Uses For Product
The company expects the product will be designed into a wide range of manufactured equipment including freight cars, trucks, barges, and farm and construction machinery. Leschen said it is being produced under a licensing agreement with the United States Steel Corporation to meet specifications for a minimum yield point of 50,000 pounds per square inch compared with 30,000 pounds per square inch for more regular carbon steels.

He said Granite City Steel Co. also has expanded production limits on its Hi-Yield series which have one of the highest strength-to-cost ratios of all steels. Their yield points now range up to 55,000 pounds per square inch, Leschen said.

He pointed out that these high-strength, low-alloy steels can often reduce a fabricator's material costs, when specified to replace aluminum, copper and other metals. They offer strength almost twice that of carbon steels and can be welded by conventional practices.

Illinois World's Fair Pavilion Best-Attended

More than two million visitors have toured the Illinois Pavilion at the New York World's Fair since it opened April 22. Walt Disney's "Great Moments with Mr. Lincoln" presentation and a rare collection of Lincolniana are highlights of the exhibit.

The Illinois Pavilion has been proclaimed the best-attended out-of-state pavilion on the fairgrounds, named one of the 10 best buildings architecturally and included among the 10 most popular pavilions on the grounds in all such listings.

Ralph G. Newman, Chicago Lincoln authority and chairman of the Illinois Commission that planned the Illinois Pavilion, said Illinoisans can well be proud of their representation at the New York World's Fair.

"With another year to go, Illinois will have 'told its tourism and industrial expansion story to more than six million people,' he said. "Long after the fair has been forgotten, Illinois will be reaping benefits from the new friends it has made through the Illinois Pavilion."

If past experience doesn't enable a man to master the present he'll be a slave to the future. Spenser

Earl Lee Wins Award With Failure Topic

Earl Lee received the best speakers' award during Monday night's dinner meeting of the Toastmasters Club held at the Grand Cafe. His winning topic was entitled "How To Become A Failure."

Harry Fechte, president, conducted the meeting with Dr. Leo Coleman serving as general evaluator. Marvin Dean spoke on "Our Religious Freedom—Our obligation," and also served as the table topic chairman with members presenting their views on why the Cost of Milk is Cheap or is it this area.

During a brief business session James Dimitroff and Fechte were named to prepare a slate of officers for the ensuing term. An election is to be held within two or three weeks.

Dr. Claude Hiles, who served as toastmaster, was presented with the evening's "hone award."

New Cadillacs Unveiled For 1965 Go On Display

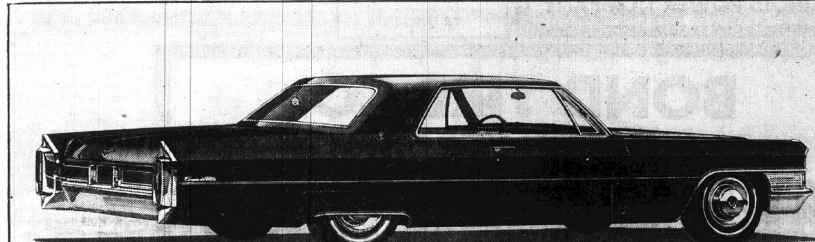

Most extensive change in its 62-year history is the 1965 billing for the Cadillac, General Motors' prestige car. The new cars went on display this morning at East Side Motors, 1101 St. Louis avenue, East St. Louis. Manager Elmer Vieselman said most of the 11 models in three series will be available.

The series this year are the new Calais, replacing the Sixty-Two, Deville and Fleetwood. A new sedan model with a thin pillar replaces the six-window body style in the Calais and DeVille series. In the Fleetwood series, the new model is the Sixty Special sedan with its own exclusive 133-inch wheelbase and an overall length of 227½ inches, an increase of four inches.

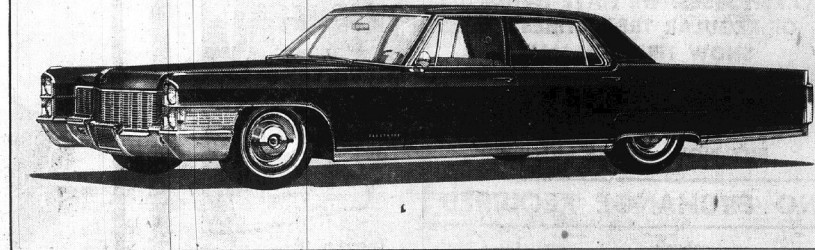

Three new optional features are available this year. They are: 1. Telescoping steering wheel which allows a three-inch field of movement for maximum adaptability; 2. Redesigned power door locks, enabling locking or unlocking of all doors from a front door; 3. Automatic leveling device which maintains the car at design or normal height regardless of passenger or trunkload (this is standard on the Sixty Special sedan and Eldorado convertible).

There is also a new chassis, first since 1936, and interior trim combinations total 150. Cadillac's 340-horsepower engine, unchanged from 1963, is coupled with an improved Turbo Hydra-Matic transmission having a "variable stator" which gives a new suburban passing gear with performance gains in the 20-50 mph range.

PRESENTING *Cadillac* FOR 1965

Above, the Coupe de Ville; below, the largest-wheelbase Fleetwood Brougham.

SO NEW! SO RIGHT! SO OBVIOUSLY CADILLAC!

The 1965 Cadillac is the most dramatically new Cadillac in sixteen years; new from chassis to rooftop and new from start to stop. Its remarkable styling—elegant, majestic and impressive as never before—establishes it instantly as an all-time Cadillac great. And not only is it an inspiration to look at—it is a revelation to drive! The marvelous responsiveness of Turbo Hydra-Matic is now standard on all eleven models. A new concept of frame and suspension gives the car incredible steadiness and levelness of ride—even under the severest conditions of cornering and handling. And there is quiet—quiet beyond anything you imagined possible in a motor car! Cadillac's new and more spacious interiors are marvelously rich and luxurious—and include such personal options as an exclusive tilt and telescope steering wheel. Cadillac owner or Cadillac admirer—you owe yourself a journey at the wheel without delay.

You will know at once that this is—in every way—the new Standard of the World!

Mass Picketing Halted At 84 Lumber Co. Yard

A temporary injunction issued Tuesday by Chief Circuit Judge Joseph J. Barr prohibiting mass picketing by members of Teamsters Local 825 at the 84 Lumber Co.

An agreement on the injunction was reached after a signed stipulation in which defendants in the suit were permitted to deny charges and allegations made against them in the complaint filed last Friday. No bond was required to be posted.

The union was limited to not more than five pickets at or near the entrance of the lumber store located near the intersection of Highways 111 and 35.

Union members also are restrained from physically obstructing entry or departure of persons or vehicles from the store, interfering with or re-

straining any employee or plain-clothed or any person entering or leaving the premises, or advising, encouraging or participating in anything prohibited. The union agreed to the provisions.

Individuals named as defendants in the suit were Marshall McDuffy, local president and assistant business representatives; William Doty, secretary and treasurer; and Alvin St. John, a member.

The union has been displaying signs reading "This job was built with wages and conditions below standards for those established in this area."

The company charged that when it opened for business on Aug. 27, about 70 pickets and 60 autos obstructed business and that customers and employees were threatened, harassed and abused.

Area Has 30% of All School Enrollment

Thirty percent of the total elementary school enrollment of all public, parochial and private schools in Madison county is in schools of the Quad-City area which also employ 21% of the county's elementary teachers, according to detailed enrollment figures announced by William H. Trimpe, Madison county school superintendent.

The figures also show that of the 16,762 students enrolled in all high schools of Madison county, 4533 of them, or 27%, are attending classes in the Granite City, Madison and Venice districts of the Quad-City area. Instructing the Quad-City students are 332 high school instructors, representing 33% of the entire force of 992 high school teachers in the county or 36% of the high school teaching staff of 922 in the 15 public school districts.

Enrollment in the Quad-City schools also represents 30% of the overall registration in all schools of the county. The superintendent's report shows a grand total registration of 85,388 pupils in all public, parochial and private schools. Registration in the Quad-City schools includes 12,608 elementary pupils and 4533 high school students in

the Granite City, Madison and Venice districts, and 1876 elementary pupils in six Quad-City parochial schools. There is no parochial high school operation in the Quad-Cities. The Quad-City total enrollment is 19,019 students.

Considering public school enrollment only, the Quad-City enrollment of 12,608 elementary pupils is 31% of the total county public school registration of 40,786 elementary pupils; the 4533 Quad-City high school students represent 29% of the 15,387 students in all public high schools.

Lets Enrollment Figures

The superintendent's report shows the following registrations for the Quad-City area public schools:

Granite City District 9-9775 elementary pupils with 295 elementary teachers; 3592 high school pupils with 273 high school teachers; total enrollment 13,367; total faculty, 568.

Madison District 12-2281 elementary pupils with 69 teachers; 716 high school pupils with 31 teachers; total enrollment, 2,977; total faculty, 100.

Venice District 3-572 elementary pupils with 19 teachers; 227 high school pupils with 28 teachers; total enrollment, 799; total faculty, 47.

Totals for these three districts therefore are 12,608 elementary

pupils with 383 teachers; 4533 high school pupils with 332 teachers; total enrollment, 17,143 pupils; total faculty, 715.

Six parochial schools in Granite City, Madison and Venice account for an additional 1876 pupils to bring the Quad-City registration total to 19,019. Parochial school enrollment, all elementary, includes Sacred Heart school, Granite City, 436 pupils; ten teachers; St. Elizabeth, Granite City, 537 pupils, 12 teachers; St. Joseph, Granite City, 261 pupils, five teachers; St. Margaret, Mary, Granite City, 261 pupils, five teachers; St. Mark's, Venice, 122 pupils, four teachers, and St. Mary's, Madison, 320 pupils, ten teachers.

Public School Enrollment

Trimpe's report said that in the 15 public school districts of the county there are 40,786 elementary pupils with 1580 teachers and 15,387 high school students with 913 teachers, a total enrollment of 56,373 pupils and 2493 teachers.

All parochial and private schools account for 7840 elementary pupils with 212 elementary teachers and 1175 high school pupils with 79 teachers, making total enrollment of 9,015 with 291 teachers in those schools.

These figures total 48,626 elementary pupils with 1792 elementary teachers, and 16,762 high school pupils with 992 teachers, an aggregate of 65,388 pupils and 2784 teachers in all schools throughout the county.

This is an increase of 2066 in the county's total enrollment. During the 1963-64 school year, total enrollment in all schools was 63,322. The number of teachers increased by 87 from the 1963-64 figure of 2897 to a total of 2984.

OLDSMOBILE's new addition to the full-size line for 1965 is the Delta 88. The new model, shown here, is a deluxe companion to the Dynamic 88, and is among the complete line of new models introduced today in the showrooms of Woodrome Oldsmobile, Inc., 1905 Madison Avenue.

Engine Advances Among 1965 Oldsmobile Features

Thoroughly restyled bodies, features wider front brakes on and the recently developed 425 cubic inch Super Rocket engine. Extensive changes also have been made in interior decor, including split-back front seat with a large center arm rest in some models and larger dials on instrument panels.

Lancaster is Promoted, Re-Enlists in Navy

Gary J. Lancaster, hospital corpsman third class, USN, was recently promoted to his present position while serving with the First Hospital Company, Force Troops, Oldsmobile, Inc., 1905 Madison Avenue.

A complete line of the new models, including the newly introduced Delta 88 - went on display today in introduction of new design and engineering improvement in all models. Bill Woodrome Sr., operator of the Oldsmobile agency, pointed out that the new Super Rocket engine, coupled with the Turbo Hydra-Matic transmission, is one of the most outstanding developments in the Oldsmobile line.

"Engine displacement has been increased 8%," Woodrome said, "yet engine weight has been substantially reduced. Tonnage with the Turbo Hydra-Matic transmission, the performance of the 425 cubic inch Super Rocket is educational, with horsepower ratings from 310 to 370."

He noted that other mechanical design changes include a new frame for increased rigidity and improved stability. Front and rear suspensions are newly designed for better riding and handling. The new chassis also

Survival Training

Second Lt. John R. Haack, son of Mr. and Mrs. John L. Haack, 2205 Edna street, recently completed training at the U.S. Air Force Survival and Special Training School, Stead AFB, Nev.

Lt. Haack, a pilot, received his commission last year following his graduation from St. Louis University with a bachelor of science degree in electrical engineering. He is married to the former Miss Kathleen Collins of Toledo, O., and is currently assigned to a Tactical Air Command unit at Nellis AFB, Nevada.

Venice Building Permits

Issuance of two new Venice building permits was announced today. William Kampman plans a \$8000 prefabricated five-room house at 211 Kerr street, and Leo Daviavoy, 1229 Klein street, will build a \$1200 garage.

Retirement of New School Bonds to Begin Next Year

Retirement of the new series of Granite City school district bonds will begin a year from now, on Oct. 1, 1965, with payment of the first \$76,000 of the \$2,300,000 principal.

First of the taxes will be paid by property owners next spring or summer, but the impact will be eased by the fact that the bond schedule has been drawn up to dovetail with six previous school bond issues.

Most of the new bonds will be retired in the three years beginning in 1973, the year after the bulk of existing bond debt has been retired.

\$8 Million Debt

With precise figures now available due to awarding of the latest 2390 \$1000 bonds to the Northern Trust Co. of New York City and Chicago and its associates, school district indebtedness, including the entire current fiscal year (1964-65) amounts to \$8,009,530.

Actual debt as of today is \$7,917,262, due to payment of \$60,000 principal and \$32,267 interest Aug. 1 on the 1958 bond issue.

A breakdown of the \$8,009,530 figure shows that old bond interest debt accounted for \$5,048,525, bond and interest on the construction program authorized by voters May 23 totals \$2,960,985 (less a \$637 principal listed in the Northern Trust Co. bid).

The \$3,048,525 portion is spread over 14 years - 1964-65 through 1977-78; the new bond issue will be retired in 11 years - 1965-66 through 1975-76.

Another breakdown shows \$6,491,000 principal and \$1,518,530 interest.

Yearly Schedule

Of the \$8,009,530, bond and interest retirements will aggregate \$450,985 this year, \$531,462 in 1965-66, \$580,606 the following year, \$601,380 in 1967-68, \$612,577 in 1968-69, \$619,917 the next year, \$627,912 in 1970-71, \$644,397 in 1971-72, \$653,842 the following year, \$743,702 in 1973-74, \$773,187 in 1974-75, \$801,510 in 1975-76, \$181,000 in 1976-77, \$175,010 in 1977-78 and none in 1978-79 and thereafter (unless additional bonds are issued in the future).

The successful bid on the new bonds averaged 3.0829% and consisted of 4% on the first \$76,000, the next \$127,000, the next \$130,000 and the fourth year's \$134,000; 3 1/4% on \$137,000 worth of bonds in the fifth year (1969-70); and 3% on the

Helicopter Crew Chief No Longer Lacks Craft

Army Specialist-fifth Bobby J. Leek, a native Granite Cityan, for a 10-month period was a helicopter crew chief without lack of a helicopter, but the lack has now been remedied, the newspaper of the 521st Engineer Group in West Germany has reported.

Specialist Leek, the son of Mr. and Mrs. Joseph Leek, 2135 Benton street, has a record of 10 years of active duty in the armed forces, including service as a Marine during the Korean war. His wife, Rosemary, is with him in Germany, where he was transferred in July 1963.

During the first phase of his stay with the 521st Group, he was assigned to the Aviation Section for duty on the L-20 fixed wing plane. Now, an L-34C helicopter has been turned over to the group on a full-time basis, with Leek given the duties of enlisted crew chief, serving on the craft under the leadership of two warrant officers who are the pilots.

Before going to Europe, he was crew chief on an H-37, a larger, twin-engine helicopter, at the White Sands, N. M., Missile Range.

Mrs. Mary Gocheff Dies; Ill 15 Years

Mrs. Mary Gocheff, 79, of 1117 Iowa street, Madison, died at 8:30 p.m. Monday in St. Elizabeth Hospital after an illness of 15 years. She had been a patient in the hospital one day.

Mrs. Gocheff was born in Bulgaria and moved to Madison 41 years ago. She was a member of the Holy Trinity Bulgarian Eastern Orthodox Catholic Church. Her husband, Peter Gocheff, died in 1942.

She is survived by three daughters, Mrs. Jerry (Mary) Blum, St. Louis; Mrs. Joseph (Rosina) Mangano, Granite City, and Miss Rose Gocheff, Madison; two sons, John and George Gocheff of Madison; five grandchildren and three great-grandchildren.

GC Airman, Wife Cast First Absentee Votes

Terrell Johnson, 22, Granite City, a radar technician stationed at Biggs Air Force base in Texas, and his wife Evelyn, became the first residents of Madison county to cast absentee ballots in the Nov. 3 general election.

Mr. and Mrs. Johnson appeared at the office of Miss Eudalia Hote, county clerk, on Monday afternoon and filled out applications No. 1 and 2 for absentee ballots and cast their votes at the clerk's office. The couple plans to return to Biggs Air Force base at El Paso today.

Johnson, an Airman 2nd class, and his wife have been visiting relatives in Granite City. Johnson is the son of Mr. and Mrs. Charles Hoefel, 2418 Waterman avenue.

Johnson enlisted in the Air Force in August 1961 and completed his basic training at Lowry field, Colo. He has been stationed at Biggs Field for the past year and a half.

Progress Report Due on Nameoki Township Sewers

Nameoki town board members are expecting to hear a progress report on the proposed sanitary sewer system before the next regular meeting on Oct. 5. It was announced Monday night by Supervisor Harry Briggs.

"We're all anxious to hear the details and if the engineer from H. W. Lochner Co. is ready before Oct. 5, we'll call a special meeting," Briggs said.

It has been two years since the firm submitted its initial report for the project and estimated monthly rental fees of \$3.50 to \$6.05 depending on the area in which a home was located. The town board ordered the plans to be revamped to reduce the charges.

Skeen St. Project
Further planning is to be scheduled to provide drainage for a proposed two-block paving project for Skeen street in the Madison section of the township. Briggs said he plans to confer with the levee district and Madison city officials. Four years ago, the county designed the project and estimated the motor fuel tax cost to be \$30,000. An upward revision in cost was expected.

The board will oppose a zoning change request submitted to the county by Richard Heavin, engineer, to operate a land-fill operation on a tract east of Sand Prairie. There has been a drainage ditch levee and Interstate Route 70.

Town Atty. Nick Vasilief was instructed to write the state's new Air Pollution Control board complaining of smoke from dumps along old Route 676 in St. Clair county.

Handling Nuisance Complaints
Vasilief also was directed to handle legal aspects of all complaints received under the township's new nuisance ordinance which controls cesspools, junk in yards and dumping area.

Town Clerk John Karlebach Jr. was authorized to get prices on a duplicating machine for the office, and the board voted \$150 expense allowances for members attending the Illinois Township Officers Association conference at Springfield Oct. 11-13.

Bills approved amounted to \$62 for the town fund and \$1271 for road and bridge purposes.

NEW BODY DESIGN for 1965 Pontiac is seen in the 2 Plus 2 of the Catalina sports coupe shown above. The new look is also evident in the Star Chief, Bonneville and Grand Prix series. The new models went on display today at Hundley Pontiac Co., 1801 Madison avenue.

New, Longer Design Seen In 1965 Tempest, Pontiac

Pontiacs and Tempests for 1965 are being shown today at Hundley Pontiac Co., 1801 Madison avenue. Both are longer this year, according to dealer Walter Hundley.

Pontiac cars are the Catalina (seven models), Star Chief (two) and Bonneville (four). In addition, the sports coupe, Grand Prix, will again be entered in the luxury car field.

General Motors claims an exclusive with the articulated windshield wiper which gives a greater sweep area over the larger windshield and wipes at much higher speeds than any other system. The wipers are standard on all models except the Catalina.

Heralded as one of the most exciting models is the 2 Plus 2, available in the Catalina sports coupe and convertible cars. It includes bucket seats, body paint

strips just below the fender up to peak extending the full length of the car and the high performance 421-cubic inch engine with four-barrel carburetor, three-speed transmission with floor shift and dual exhausts.

Generally, Pontiacs are longer, lower and wider.

Tempest presents vertically mounted headlights, increased length, and two new models—a two-door hardtop coupe in the Tempest Custom series and a four-door sedan in the LeMans series.

The new Tempests have undergone a complete restyling of the front end with the split grille recessed slightly from the down curve of the hood line.

The eye-catching GTO has a new simulated air intake on the center of the hood top panel and a body paint stripe extending the full length of the car.

Enrollment in Adult Classes Exceeds 1000

Registration for the fall term of the adult education program at Granite City high school has been completed, with the number of students topping the 1000 mark. It was learned this week from Bobby Neighbors, assistant director.

The 1030 tally, including Steel Institute classes, is about the same as last year.

Only remaining registration scheduled is that for basic literacy training (persons who have completed up to four grades of school) and intermediate literacy instruction (those with four to eight years of schooling) from

Liquor License Approved For William DeYong

A liquor license was issued to William Warr DeYong, 2948 Iowa street, to take over operation of the tavern at 20th street and Park avenue. The license was issued by the Granite City council Monday night on the recommendation of Deputy Liquor Commissioner Edmund Bartosik.

Also approved was DeYong's \$2000 bond.

GC Park Officials At State Convention

A light agenda was taken up Monday night by Granite City park district commissioners at their regular monthly meeting at the Wilson Park office.

The meeting was moved up from Wednesday to allow Milton Worthen and Milton Allen, commissioners, and Harold Brown, director of parks and recreation, to attend the Illinois Association of Park Districts convention now underway in Rockford. Worthen will retire as president of the state organization.

During the brief meeting, purchase of new furniture for the Community Center lounge was authorized. Brown is to investigate prices for the furniture.

Brown reported dirt and sand are being added to the Wilson Park baseball diamonds, that 17 teams — largest number ever — are participating in the boys' flag football program and that tennis court lights at the park will be turned off today because of diminishing numbers of night players.

In addition, rose cuttings and goldfish from the park will be given away to park residents sometime next month in line with the annual custom.

• FIRE • LIFE • AUTO

Today is '65 Pontiac Day.

1965: The year of the Quick Wide-Tracks

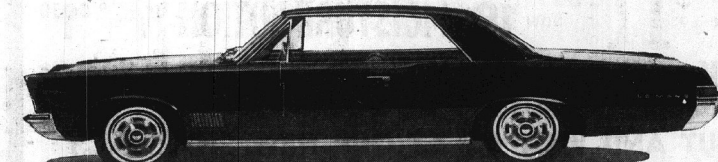

What do we mean by "quick"? Just this: A new-all-over Pontiac Pontiac offering a new Turbo Hydra-Matic — the slickest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac

How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest

Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

PLYMOUTHs FOR 1965 include the Fury two-door hardtop shown, one of 60 new models. Belvedere, Valiant and Barracuda series also are being unveiled tonight at the Elledge and Maddox agencies in Granite City as Plymouth announces its "Roaring '65s."

Plymouth Unveils Its Roaring '65s Tonight

Plymouth for 1965 — which consists of four varieties and 60 models — is being unveiled tonight at the Elledge Motor Co., 19th street and Grand avenue, and Maddox Motors, 4100 Nameoki road.

There are 22 Fury models — the "biggest, plusher Plymouth ever"; 18 Belvederes, "a new way to swing without going out on a limb"; 18 Valiant models — "the compact that hasn't forgotten why you buy a compact"; and two Barracudas, "the fastest moving new fastback priced under \$2500."

The Fury is described as not just a new model but a whole line of cars in four series, the Sport Fury, Fury III, Fury II and Fury I — each over 200 inches long and more than 77 inches wide, with added roominess, plush upholstery fabrics, new floor covering materials, new color selections and new appointments and optional accessories. Optional V-8 engines go all the way to 426 cubic inches, but the Fury remains a low price car.

Styling, Beauty, Performance

The 1965 Belvedere line features the exterior styling and interior beauty of the Satellite, Belvedere II and Belvedere I, with an unusual range of seven powerplant choices, ranging from an economical 225-cubic-inch standard six to the 426-cubic-inch high-performance Commando V-8. It provides "proof that prestige, pleasure, performance and pride of ownership can still go hand-in-hand with surprising low price."

New Valiants — Signet, Valiant 200 and Valiant 100 — include convertibles, station wagons, sedans and hardtops and stress big-car performance despite compact size. Valiant is labeled the "best all-around compact for the money."

The fastback Barracuda design combines "sports-car look, youthful vitality and all-purpose versatility," seating five with the back seat up or giving seven-foot-long carpeted cargo space with the back seat down.

Speeding Charge Filed

Clarence E. Ridenhour, 3153 Willow avenue, was arrested Tuesday morning at Linkell blvd. and Johnson road as police operated a radar unit. A hearing was set for Oct. 2.

2 Injury Claims Cost City \$459

Two sidewalk fall injury claims against the city totaling \$459 were settled out of court by the Granite City council, acting on recommendations made Monday night by City Atty. George Filcoff Jr.

The city paid \$300 to Mrs. Betty Teller, 2103 Grand avenue, for injuries suffered last May 7 in a fall at 20th and State streets, and \$159 to Mrs. Mina Leverich, 3836 Lake drive, who was hurt in a fall last July 20 at 18th street and Edison avenue.

Instructions were given the street department to repair the sidewalks at the two locations.

Notice of Claim

The city was advised by Atty. Morris Chapman of a claim to be filed by Mrs. Patricia Sealey, 2028 Quincy street, for her son, John, a minor, who was injured in a fall in the alley at the rear of their home last Aug. 2. The notice was referred to the city attorney.

Referred to the city attorney was a letter from Terry Francis, a Veterans Administration attorney, for the city to cancel a \$38 sewer rental fee lien against a house in Melrose addition.

The council's legislative committee is to study a request from the Older Adults of Greater St. Louis, seeking support in requesting lower fares on Bi-State Transit Co. buses for persons 65 or older and persons 62 who are drawing either Social Security or are on pension.

WHEREAS, the Quad-Cities 4-H Clubs soon will be taking their places in society by establishing homes of their own and joining the ranks of community and state leaders;

WHEREAS, in these changing times young people, who are citizens of tomorrow, must discover and acquire the virtues of responsibility, thoughtfulness, morality and understanding; and

WHEREAS, the Quad-Cities 4-H Clubs soon will be taking their places in society by establishing homes of their own and joining the ranks of community and state leaders;

NOW, THEREFORE, We, the mayors of the Quad-Cities, in recognition of the fine achievements of 4-H members and their families do hereby proclaim the week of Sept. 26-Oct. 3, 1964 as JOINT 4-H CLUB WEEK in the Quad-Cities.

Fiesta Planned Saturday For Mexican Anniversary

Colorful Mexican costumes will highlight a fiesta to be sponsored by the Granite City Mexican Honorary Commission at 8 p.m. Saturday in observance of the 15th anniversary of the Independence of Mexico. The event is open to the public and is to be held at the Hungarian Home, 1801 Spruce street, with tickets at 90 cents for adults and 50 cents for children available at the door.

Special entertainment featuring songs and regional dances will be presented and dancing to the Latin-American rhythms of an orchestra will follow the program. Authentic Mexican dishes and other refreshments will be available.

Mrs. Elva Ortiz is arranging the entertainment and will serve as mistress-of-ceremonies. Assisting her are Terry Valencia,

Ramona Ortiz, Mary Scanlan, Louis P. Becerra and John Birdsong.

Church Will Observe Visitation Sunday

Visitation Sunday will be observed by First United Presbyterian Church Sept. 27 from 2 to 5 p.m.

According to the pastor, Rev. Dr. David B. Maxton, the plan was initiated by the Session which appointed the Visitation committee consisting of Robert Martin, Herbert Parker, Henry George, Louis Meek and Charles McCollum.

The committee and official church organizations have enlisted more than 100 members to visit the homes of all members within the Quad-City limits. Letters sent in advance have contacted the members and requested them to be at home during visiting hours. Invitations will be extended to the Worldwide Communion on the following Sunday, Oct. 4.

RAMBLER AMBASSADOR is the longest and most luxurious of the three American Motor lines for 1965. Overall length has been increased 10 inches on models other than station wagons and the line includes a convertible for the first time. Shown is the Ambassador 990 four-door sedan. The new models now are on display at Brewer Motor Co., 2163 Madison avenue.

Area PTA Council To Meet Tonight

Granite City Area Council of PTAs will combine its initial meeting of the school year with a pot-luck supper, at 6:30 today in Netheringham school cafeteria. All PTA presidents, council delegates and school principals are urged to attend with a special invitation extended to new PTA officers, Mrs. Lucile Caban, council president, reported.

Representatives of the St. Clair Teachers' club of Belleville will provide the evening's program, a discussion on conservation. Their topic conforms to the council's 1964-1965 theme "Conservation — Everybody's Business."

Among the special guests will be Supt. Russell Johnson, Mrs. Ida Hanfelder, District 29 director and Mrs. Gale Brazier, vice-president of the Illinois Congress of Parents and Teachers.

Mayor Lee to Aid Venice Tax Collector
Letters listing the names of city employees who owe delinquent personal property taxes are to be sent by Venice Mayor John E. Lee to officials and department heads.

Mayor Lee said he has received a letter from Frank Reid-charger Jr., township tax collector, with a list of Venice city employees who owe personal taxes.

Reid-charger pointed out that public employees make their living from tax income and that such employees should make every effort to pay the tax to help clear up the township's tax delinquency.

Ramblers Now on Display At Brewer Motor Co.

American Motors' 1965 Rambler line of cars went on display this week at Brewer Motor Co., 2163 Madison avenue, with major changes in the styling of two of three lines.

"The Classic and Ambassador are completely different," said dealer J. E. Brewer. "You wouldn't even know them. The American was changed last year and sales went up more than 40%."

The Ambassador is long and more luxurious with a bold extruded aluminum horizontal grille with vertically mounted dual headlights, a long hood and full-height vertical taillights. Padded, wrap-around instrument panels are standard.

The Classic length has increased three inches on station wagons and five inches on other models with all the added inches in the rear. It has a hori-

zontal headlight theme with headlights mounted in new circular-shaped aluminum housings which blend into the new "fine-line" aluminum grille.

Large single headlights and a restyle grille provide a strong front end identification for the American, the original compact car.

A total of 28 models, four more than last year, are offered in the three lines with 14 solid colors and 44 two-tone combinations available.

Shown is the Ambassador 990 four-door sedan. The new models now are on display at Brewer Motor Co., 2163 Madison avenue.

Investigate House Entry

Rinnie Wine, 415 Selb street, Venice, reported to police at 11:30 p.m. Monday that an attempt to break into his home apparently had been made. He said a hole had been cut in the screen of a bathroom window. Venice police said the intruder had to stand on a ledge on the second story of the building. Nothing was reported missing, but police said they believed entry had been made because a glove was found in the bathroom.

Auto Hit from Rear

Two autos were damaged slightly at 2:30 p.m. Monday when they collided at Market and State streets in Venice. Martin Lytle, 1004 Market street, Madison, said he had stopped on State street to wait for a train to pass when his car was struck from the rear by an auto driven by Lester R. Cohen, 1400 Madison avenue.

Registration Planned For 'Y' Dance Classes

Registration for all dancing classes will be accepted at the YMCA auditorium from 4 to 6 p.m. next Monday. Instruction is being offered in tap, ballet and folk classes and will be handled by the Mary Louise dance studios. Separate classes will be established to provide instruction for students ranging from beginners to advanced dancers. More information may be obtained during registration or by phoning the 'Y'.

Three YMCAs to Hold Training Meet Oct. 10

Alton, Edwardsville and the Quad-Cities YMCAs will hold a joint Hi-Y and Tri-Hi-Y training convention for officers, advisors and members from 9:45 a.m. to 4 p.m. Oct. 10 at the local YMCA.

The objective will be to exchange program ideas, promote interest and enthusiasm in Hi-Y and Tri-Hi-Y, increase area and national interest and encourage inter-club and inter-association activity.

In addition to films, talks and discussions, activities will include juke box dancing, pocket billiards, table tennis, and swimming. A catered luncheon of Spanish hamburger, potato salad, corn, ice cream and a drink will be served at \$1.

Guest speakers will be Frank Gumm, associate area secretary of the Illinois area council of YMCAs, and Randall Robertson, a Granite City attorney and a former Hi-Y member.

Course for Principals Set for SWIU Campus

Clarence W. Stephens, vice-president at Southwestern Illinois University's campus for the past three years, resumes his teaching career this fall with a high school principals' course designed for present and prospective high school principals.

His first teaching assignment school.

PART-TIME CAMPUS JOBS at Southwestern Illinois University are discussed by Janet Gallauer, 2206 East 20th street, among the banner crop of SWIU frosh, with David R. Van Horn, coordinator of student employment. Fall term classes began today.

YMCA Teen Town Band Dance Set Friday Night

The YMCA will hold a special orchestra dance Friday night, the night of the Granite City-Madison football game. The band will consist of two guitars, an electric piano player, a singer and a drummer. They will play from 9 p.m. to midnight.

The dance is open to any high school youth in the Quad-Cities area. Members of the teenage department are admitted free, and non-members pay a 50-cent fee.

ISU to Train Teachers For Trades, Industry

Illinois State University at Normal has received approval of the State Board of Vocational Education and Rehabilitation to prepare vocational teachers for trades and industry under the Smith-Hughes federal act.

It is only the third institution in Illinois to be accredited for the program. The others are the University of Illinois and Southern Illinois University.

The program is expected to step up ISU's off-campus community service programs through courses offered in schools and industries in other cities. Illinois State faculty members who offer such off-campus courses will receive part of their salaries from federal and state vocational funds.

At first, courses will be limited to teachers who wish to qualify as vocational education instructors. Later, non-credit courses in areas as foremanship training will be included.

Qualified ISU graduates who teach vocational education also will have 40% of their salaries paid by federal and state funds, with the remainder coming from the local school district.

The program will require no course changes. With Smith-Hughes accreditation, graduates have been limited to teaching industrial arts, which emphasizes general education, while vocational education is primarily for those who have decided that they will work in that field.

There are three requirements for a vocational education teacher. First is to be graduated from an accredited institution, meaning one approved by the regular accrediting body as the North Central Association. Second is to have eight semester hours of vocational education courses. ISU plans a schedule of summer work to meet the trade requirement.

Pep Parade Set Tonight By GCHS Cheerleaders

A "Beat Madison" convertible parade is scheduled for 6:30 p.m. today through Granite City streets in preparation for Friday night's traditional football game with Madison's Trojans to be played at Madison.

The parade will assemble at the high school parking lot and will include cars from high school organizations, youth clubs and Granite City civic clubs. It is being sponsored by GCHS cheerleaders.

They are John Strothel, Donna Miskell, Janey Polito, Mary Lynn Jesse, Evelyn Stein, Barb Bickham and Paula Hays.

They hosted a cheerleading clinic for cheerleaders and pep club officers of the Southwestern conference in the Memorial gym.

The theme was "Ready—Let's Cheer!" Discussed were new techniques for cheerleaders and methods of promoting school spirit.

Guest speakers were Principal Lawrence McCauley, Pete Robinson on the Granite City parking district and Keith Parker, president of the Southwestern Off-Campus Association.

Special guests were the varsity cheerleaders from St. Louis University who discussed "power cheering."

Navy Seeks Recruits For Nuclear Training
The U. S. Navy recently increased quotas for applicants to train in the nuclear engineering training program which provides qualified personnel to operate, trouble shoot and repair nuclear power plants and related systems on nuclear ships and submarines.

The program offers two areas of training — nuclear field electronics and nuclear field engineering technician. It is open to high school graduates and especially to young men who have completed some college work.

Both areas require specific mental and physical qualifications which can be determined by testing prior to enlistment. Full information may be obtained by contacting Recruiter W. Hensley in the East St. Louis post office building.

Knapp Named Resident Fellow at Carbondale

Gene V. Knapp, 2717 Marshall avenue, is one of 121 Southern Illinois University upperclassmen chosen to serve as resident fellows during the 1964-65 academic year at the Carbondale campus.

Resident fellows, who receive free room and board for their services, serve in both university residence halls and university approved off-campus housing units. They are assigned to serve as a counselor and arbitrator for a certain unit—usually a floor of the residence hall.

Each year resident fellowships are awarded to junior and senior students who have successfully completed a series of tests and interviews and have high scholastic standing and leadership qualifications. Besides serving as counselors, friends and coordinators of activities, they interpret university policy, carry a full academic load and sponsor hall social activities.

16 Girls Initiated In Senior Leaders Group at GCHS

Sixteen students have been initiated by the Granite City high school Senior Leadership club. They were guests of honor at a party.

The new members are Kathi Aubrey, Sandy Carlie, Joyce Fowler, Marsha Galloway, Linda Rorer, Carol Jakes, Mary Lashan, Linda Lee, Chris Louis, Susan Mertz, Shirley Melford, Judy Phillips, Judy Sands, Diana Tadlock, Cindy Trane and Janice Veizer.

After games and a picnic lunch, the candidates were instructed on the qualities of a good leader and were given a badge for their gym suits, plus material to make a lanyard for whistles. The colors of the club, blue and white, were worn by old and new members.

For the two six-week periods of each semester, they will assist a gym teacher during their physical education class. The leadership program provides opportunities for girls in high school to explore and develop techniques for working with individuals and groups.

The traditional Leadership Work Day is scheduled for 8:30 a.m. to 5 p.m. Oct. 9. In case of rain, it will be postponed until Oct. 23. Work may be hired for 75 cents per girl per hour. Over-all supervisor is Barbara Louis.

Washington U. Tuition Hiked \$175 Semester

Washington University has announced a \$175 per semester tuition increase to become effective a year from now for all divisions except University College and the schools of law, medicine and social work. The hike will increase the tuition rate to \$1700 for the academic year.

Tuition in the schools of law, medicine and social work will be raised to \$1475. Tuition income last year equaled less than 20% of the university's total expenditures, Chancellor Thomas H. Eliot said in a letter to parents and students. He cited 13 other private colleges with tuition over Washington's current \$1350 mark and seven others already above the \$1700 level.

County Program Scholarships To Be Based On Exams--Supt. Trimpe

A number of scholarships will be awarded in Madison county at any time during the national on the basis of competitive examination between June 25, 1956, and Jan. 31, 1958. Preference is given to candidates whose fathers are deceased or disabled.

The examination is of the objective type and is designed to measure abilities which predict success in the university, he said. It is based on knowledge and skill normally acquired before completion of secondary education.

Results of the November, 1964 ACT test will be used as the basis for awarding scholarships to begin in June or September, 1965. Applicants should years and may be used in any course in the U. of I. Children of veterans may compete even if they have had college work and no special average is required for this college work.

Midshipman Caldwell Visits Naval Air Base

Midshipman Second Class Dwight B. Caldwell, a son of Mrs. J. C. Crane, 2311 State street, was a recent guest of the Naval Air Basic Training Command at the Naval Air Station, Pensacola, Fla., for a three-day induction to Naval Aviation.

Together with other members of his class from the Naval Academy, he was given an extensive tour of the Pensacola Naval Air Complex which included visits to the School of Aviation Medicine and the Survival Exhibit.

Also while in Pensacola, he was given the opportunity to take demonstration flights in a training aircraft at the U. S. Naval Auxiliary Air Station, Saufley Field.

Additional scholarships are awarded in counties with population in excess of 100,000, cover tuition for four years and may be used in any course at the U. of I. They are available only to high school graduating seniors.

One scholarship in agriculture and one in home economics will be awarded to the candidate in each group ranking highest on the exam. They cover tuition for four years and are limited to agriculture or home economics courses at the U. of I. Those with college credit must have a minimum of 3.5 in the U. of I. grading system.

Veterans Scholarships
One scholarship is awarded to a child of a veteran of world war I, one a child of a veteran of world war II and one to a

Dr. Morris to Report Progress On SWIU Oct. 12

Bringing together persons interested in higher education and community participation in Southwestern Illinois University progress, the Edwardsville Chamber of Commerce Education Committee will sponsor a public relations dinner at 6:30 p.m. Monday, Oct. 12, at the Sunset Hill Holiday Inn.

Cooperating will be Quad-City, East St. Louis, Wood River, Alton, Belleville, Collinsville and Edwardsville Chamber of Commerce and education representatives.

President Delyte W. Morris of Southern Illinois University will be the evening's speaker on the "Social Movement That is SWIU."

Also speaking will be Irving Dillard, Princeton University professor and former editorial page editor of the Post Dispatch. He is Ferris Professor of Journalism and Senior Fellow in Humanities in the Woodrow Wilson School of International Affairs at Princeton.

Tickets for the dinner at \$3 are available from the Tri-Cities 1831 Delmar avenue. "All who are interested in education" are invited to attend.

SIU Reorganization

Solving Problems

The new administrative organization of Southern Illinois University is beginning to solve the problems that previously arose from operation of two major campuses more than 100 miles apart, according to Charles D. Tenney, staff vice-president for planning and review.

Tenney said that many of the SIU problems of the past two or three years developed because of a geographic separation of administration, making it difficult to relate programs on the Carbondale and the Quad-Cities-Edwardsville campuses. Tenney said that while there will continue to be some problems under the new system, "I think we've got the geographical problem licked."

Tenney is one of four new SIU vice-presidents whose posts are arranged along functional rather than geographic lines. A revision of the University's statutes approved by the board of trustees earlier this year abolished positions of separate vice-presidents for each campus. Instead, the new officers divide their time between Carbondale and the new campus and maintain offices and assistants on each.

Tenney was shifted to his present job from a former post of vice-president for instruction. The other new vice-presidents are Robert W. MacVicar, academic affairs; Ralph W. Ruffner, area and student services; and John S. Rendleman, business affairs. Rendleman formerly was the University's general counsel and a special assistant to SIU President Delyle W. Morris, while Ruffner and MacVicar are new to SIU.

The Board of Trustees Education teaches a student good marksmanship here. He takes aim at his goal in life.

\$18,095 Engineering Fee In \$27,736 GC Bill List

The largest item on the \$27,736 bill list approved Monday night by Granite City Council members was a payment of \$18,095 to David J. Johnson & Associates for engineering services on the Nameoki road widening and improvement project.

The engineering was for the section of the roadway south of Madison avenue. No starting date for construction has been set as the city and state still are in the process of obtaining right-of-way appraisals on the section of the improvement north of Madison avenue which is to be undertaken initially.

City Atty. George Filcoff explained the state was continuing to call for appraisals and that a change in location of proposed traffic lane islands at the Nameoki-Johnson-Felling road intersection has further complicated the appraisals. The state is to pay 90% of the total cost and the city 10% for right-of-way.

Alderman Ford Johnson asked the mayor to request additional funding along the roadway.

Expense Allowances Expense allowances included on the bill list were \$142 for Earl Bloomer, city building director, to attend the Midwest Building Officials four-day conference at Dubuque, Ia.; \$292 for attendance by four police officers at the national pistol meet at Putnamville, Ind., for three days.

Police Chief Willardt was paid \$30 to go to Urbana, Mo., to attend graduation exercises for the two officers completing a police dog handling course.

Aldermen drawing \$175 allowances for attendance at the Illinois Municipal League convention in Chicago next weekend included Walter Norn, Steve Baarsch, Sandy Pence and Clyde Boyd.

Alderman Charles Moerlein received \$30 for August expenses, and Civil Defense Director Victor Koenig was paid \$100 for September administration and expenses.

George Filcoff Jr., city attorney, was paid \$100 for attendance at an Illinois Commerce Commission hearing (\$25) and for providing secretarial and stenographic services (\$75).
